

AMADOR COUNTY RECREATION  
AGENCY PRESENTS:

# 40 Supports and Strengths Young People Need to Succeed

*In family, school, and community*

This workshop shows you how you can build a positive culture and environment using Search Institute's 40 Developmental Assets®. Join us for this interactive, motivating workshop where we will explore simple but profound ways to initiate, increase, and strengthen asset-building efforts in our families, schools, and community.

**The Search Institute has identified 40 supports and strengths that young people need to succeed. These Developmental Assets® focus on solutions, rather than problems, are powerful predictors of future behavior and can be impacted by educators, caregivers and other adults who support young people!**

RSVP: <https://www.surveymonkey.com/r/3R5RDGN>

Angela Da Re is a Certified Substance Abuse Prevention Specialist and leader in the area of building strong families and the communities that support them. She has worked extensively for over 20 years in developing, implementing and evaluating prevention programs and strategies. She is passionate in educating those outside the field about the role they can and do play in keeping kids healthy and drug free and is expert in community and collaborative prevention strategies.

**Participants in this workshop will learn how:**

- The 40 Developmental Assets® connect to youth achievement, academic success, a positive school culture, and building relationships
- To build Assets in all children and youth To form and maintain relationships with children and youth that are mutually respectful, caring, and genuine
- To personally become an Asset builder for children and youth in your family, school, and community
- To create a plan for building the Developmental Assets framework in schools and the community

Location: First 5 Amador, 975 Broadway, Jackson
