## Social Emotional Development: Self-Regulation

“Social skills relate not only to the obvious correlates such as peer acceptance, but also to broader well-being, such as success in school” (DAP, p.192).

Practice using the Preschool Learning Foundations (PLF) and Preschool Curriculum Frameworks (PCF) to intentionally plan appropriate activities and environments to support all children. Learn cultural and inclusive strategies that promote the development of skills, knowledge, and behaviors related to social-emotional development.
