Providers!**

**November 7, 2019**

**6:00-8:00pm**

**10877 Conductor Blvd**

**Sutter Creek, CA**

**(RESCHEDULED FROM OCTOBER 10<sup>th</sup> with NEW LOCATION)**

**Presented by:** *Andriana Lewis, Community Nutrition Educator for  
the University of California Cooperative Extension CalFresh Nutrition  
program*

CATCH is an evidence-based curriculum based on the CDC Whole School, Whole Community and Whole Child Model in which health education, school environment and family/community involvement work together to support youth in developing a healthy lifestyle. This curriculum incorporates many lessons for behavior management in a child care or school setting, as well as establishing a healthy lifestyle for children at a young age.
