

California Preschool Instructional Network (CPIN) presents...

REGULATING THE STAR WITHIN: SOCIAL-EMOTIONAL DEVELOPMENT

Focus on Self-Regulation

Presented by Katy Downs-Stroh, Regional CPIN Lead

WEDNESDAY, MAY 2
5:30 - 8:30 PM

DINNER WILL BE SERVED

FIRST 5 AMADOR
975 BROADWAY, JACKSON

All participants encouraged
to sign up for a
Workforce Registry number, at
www.caregistry.org

Participants will:

Recognize effective self-regulation behaviors typical of preschool and early elementary school children, along the continuum of learning.

Discuss how the CA Preschool Learning Foundations and Curriculum Framework Social-Emotional domain is related to social competencies needed for school success.

Better understand factors that affect the development of self-regulation.

Connect the Foundations to effective strategies that build positive relationships and support the development of self-regulation skills.

Learn about and create self-regulation strategies and tools to take back to your environments.

**Please RSVP by Friday, April 27
