

RESOLUTION IN SUPPORT OF 2022 TAYLOR ISD BOND REFERENDUM

WHEREAS, an excellent educational system is basic to the social and economic growth and well being of any area; and

WHEREAS, the substantial projected population growth in our area is expected to exceed capacity at most Taylor ISD schools over the next 10 years without adequate preparations and investments in anticipation of such growth; and

WHEREAS, the safety and security of all of our students and Taylor ISD staff is of the utmost importance and every effort should be made to protect them; and

WHEREAS, expanded room and capacity for Career and Technology Education is essential to sustaining a prepared workforce to enhance future growth of our community; and

WHEREAS, the Taylor Independent School District administration, board, and appropriate committees have done extensive research to determine what is realistically required to maintain the quality and viability of its education system for the foreseeable future; and

WHEREAS, the proposed bond issue to be submitted by Taylor Independent School District to the voters in November 2022, is reasonable and very necessary to maintain the District's excellent programs according to the information presented.

NOW, THEREFORE, The Board of Directors of the Taylor Chamber of Commerce hereby resolves that its members and area residents are hereby urged to support the proposed bond issue submitted by the Taylor Independent School District in the November 2022, election as evidenced by the signatures hereinafter of its chair and secretary of the board.

EXECUTED this 9th day of August 2022.
