### Would you or your business like to be part of a uniquely Taylor event?

For decades the Rotary Club of Taylor has proudly given a scholarship and recognized graduating seniors who rise to the top 10% of their class. Due to concerns with health and safety, this year the club is exploring alternative ways to celebrate these impressive Rotary Scholars and their parents. The \$6,000 Rotary scholarship is one of the largest local awards given to any local graduate. We need your help to continue these and other important community service programs.
