

# BUSINESS EXPO 2022 AND JOB FAIR

We are excited to seek your partnership for the 2022 East WilCo Business Expo and Job Fair. With the pains of the last year, it is time for us to get out and remind area citizens of all the great products, services, agents and representatives we have in our community that can make their lives better.

The convenience of one-stop shopping for goods, services, job applications and interviews with local companies needing help PLUS family-style entertainment, food, music, and more than \$2000 in door prizes draw people to the Expo and Job Fair. The Expo lifts the profile of participating businesses and lays future customers and employees at their doorsteps.

***We're doing it again and this year and we want you to join us!***

Greater Taylor Chamber of Commerce and the Taylor EDC invite you to join in as a sponsor again this year.

- Hand out valuable contact and service information
- Demonstrate and sell your products
- Introduce new goods and services
- Play games and hold prize drawings
- Sample your products and foodstuffs
- Introduce career/job opportunities and benefits to job applicants

**Take advantage** of a once-a-year opportunity to be a part of this crowd-pleasing showcase of area business information and job opportunities. This year, it promises to be another quality event!

Yes! Please put us down as a \_\_\_\_\_ sponsor for 2022.
