Taylor Texas
CHAMBER OF COMMERCE
AND VISITOR CENTER

BinexNow COVID-19 rapid antigen testing information for Chamber-member businesses.

- Testing must be voluntary.

- Testing cannot be a condition of employment.

- There is no charge for the test.

- Anyone under the age of 18 must have a permission slip. (They are available from the Chamber at your request.)

- Only employees can be tested. This is a condition of the program and is not in the hands of the Chamber or your business.

- Employees must register before they come in for a test at register.txrapidtest.org. They will need to fill out the information and press submit. A QR code will be created that contains the information necessary to qualify. They may print out the Code, or take a picture on their phone to bring to the testing location. They MUST have this QR code to take the test.

- In general, tests are available 8 a.m.-3 p.m. Monday, Wednesday and Friday and 9 a.m.-1 p.m. on Tuesday and Thursdays. Other times may be available upon request. Please send those requests to info@taylorchamber.org or call 512-352-6364.

- Masks are required for test-takers and anyone entering the Chamber.

- The actual test takes less than 20-minutes. Employees may stay to see their results or wait for them to be texted/emailed by the system which usually happens within 2 hours of the test.

- The Chamber is located at 1519 N. Main St. in Taylor. A sign on the door will instruct them what to do once they get here. Please know that we are a two-person office and, from time to time, the office may be unattended. We will try to limit that during this time but it is always a possibility.

Please email info@taylorchamber.org or call 512-352-6364 if you need or would like more information.
