## MAKING THE TURN

As we battle through this awfully HOT summer, and that's saying it nicely, I am happy to report that Moslah is staying active and making a presence in our community. Moslah participated in 3 parades during July. It started with the Lake Dallas July 4th parade on July 1st, which Lady Penny and I were able to participate in with the Car-Vettes. This was followed by the July 4th Parade in Granbury where Moslah had great participation from most of the units. I am very thankful for the efforts shown by Moslah membership and units to be a part of Granbury's parade. The community of Granbury, and the city staff, are very supportive of Moslah and have been very good to us over the past years. Their

generosity and hospitality during our Hospital Fund Drive Fall Street collection has been tremendous, so it is good to be able to give back and show our support. Thank you to all who participated. Unfortunately, the Divan was attending the Imperial Session and could not attend.

I also want to give a Special Shout Out to the following units for participating in the 17th Annual National Day of the American Cowboy Parade held at the Stockyards on July 22nd:

## Patrol, Car-Vettes, Mystic Wheels, Clowns, & Flying Fez

I have heard several comments from those who participated about how great it was to have so many units all working together to represent Moslah. These are EXACTLY the type of events we need to do more of, as a whole, and get out and support our community. I also want to thank the Eagle Mountain Shrine Club for allowing the Clowns the use of their trailer. I truly believe if we get more active in community events and get our word out, we will start seeing our membership grow. Once again THANK YOU ALL for braving the heat and representing Moslah.

As I mentioned earlier, your Divan attended the 149th Imperial Session of Shriners International July 2nd – 6th in Charlotte, North Carolina. We had a great trip and you can be assured Moslah was well represented by not only your Divan but several Past Potentates, a Past Hospital Board Chairman and their Ladies. We had 10, yes that is correct, 9 Past Potentates and 1 Past Hospital Board Chairman, attend the session along with your Divan. The camaraderie and fellowship were bar-none, and Penny and I could not be more thankful for their attendance. Here is who all attended:

Richard & Carmen Baker, Jimmy & Carolyn King, Gary & Debbie Reynolds, Robert & Linda Lee, Harold & Mabel Benefield, Jeff & Terry Eaton, D. Michael & Susan Wallach, Moe Rahmeh, Orlando & Ceci Reyes, David & Dawn Henderson.

## HIGHLIGHTS / NEWS TO REPORT FROM 2023 IMPERIAL SESSION:

- Texas has another representative on the Imperial Line. Congratulations to now Imperial Sir David Hamm from Sharon Shrine on his election to the position of Imperial Outer Guard. Imperial Sir David has always been very active and a big supporter of TSA and I know he will represent Texas well and do a great job leading our fraternity and philanthropy.
- The Daughters of The Nile presented a \$2.1 million check to Shriners Children's from their fund-raising efforts for the year. Our own Rithmah Temple ranked as the #3 donor for the organization. Great Job Rithmah and congratulations.
- For the past 3 years, Shriners International has been proposing a per capita increase, which has been highly contested and failed for a variety of reasons. This year, after much discussion, a **\$20 increase was passed and will go into effect for the 2024 Dues**. Shriners International will be sending 2024 Dues notices out in September which will include this \$20 increase.
- The ultimate highlight of the event, as always, was the introduction of the 2023/2024 International Patient Ambassadors. These stories really hit home on our purpose and make you proud to be a Shriner. I would like to introduce you to this year's heroes:

Gianna, 15, was born with a rare condition called proximal femoral focal deficiency (PFFD), which caused her to be missing part of her left femur. Her parents knew they had to find the right specialized care for their daughter, and were grateful to learn that the orthopedic team at Shriners Children's Southern California had the expertise to treat PFFD. Here is the link to her story: [Gianna](#)

Juan Diego, 18, was burned in an electrical accident when he was 13, leaving his hands seriously disfigured. He spent more than a month in the hospital in Honduras. When he returned home, he was completely dependent on others for even the most basic tasks. He could not take care of himself, go to school, or draw or play music, two of his passions. He ended up being treated at Shriners Children's Boston and is now a fully functioning young man. He simply lights up a room when he speaks. It really is incredible to hear him speak about his experience. Here is the link to his story: [Juan Diego](#)

I encourage you to take the time to watch these videos and hear their stories. I promise it will be well worth it.

I am looking forward to getting back at it and closing out the last half of the year with fun, fellowship and fundraising. The majority of our Fraternity's fundraising is about to kick into high gear, starting with the Sportsman Spectacular on August 12th. Make sure you have your tickets, but more importantly make sure you bring a friend, co-worker, and your family out to see what we do. Don't forget it is Circus Ad Sales time, so get your packets and start selling. Chief Rabban, Coty Owens, is eager to help, so reach out to him and get going.

Yours in the Faith, *Jerry Henderson*

*Illustrious Sir D. Michael Wallach, P.P. became an Emeritus Member of Shriners Children's, which is granted after having served as a member for 10 consecutive years.*

*Noble Jerry Knott, shown here with Lady Carol, received his Masonic 50 Year Pin, presented by Panther City Lodge on behalf San Angelo Lodge #570, on July 12*

## Circus Update

As many of you have heard, the circus dates have moved to **October 25<sup>th</sup> to the 29<sup>th</sup>**. This is the largest yearly fundraiser for Moslah. Ad sales and ticket sales are essential to fund the events put on by the Temple, and are also a fantastic opportunity for folks to raise money for their units and clubs. Last year was a fantastic year in fundraising, and I'm sure this year will be even better.

We distributed the ad sales packets to unit/club representatives during the TSA Victory party. The packets include the renewal contracts for ads sold last year as well as blank contracts for ads sold for new customers. Please encourage everyone to renew and sell as many ads and tickets as possible. The deadline for turning in circus ad contracts is September 29<sup>th</sup>, but the sooner you turn them in the better. Ticket sells continue through the last show.

One of the most effective ways we have of promoting the circus to the public is with our circus signs. Circus Sign pick-up is on September 16<sup>th</sup> and will once again be at the Directors Building. Hope to see you there.

**Circus Daddy Pins** are another great way for people to support the Circus and Moslah Shrine. If you haven't done so already, please call the Temple Office (817/335-9469) and request yours today. This program supports our efforts to make the circus available to underprivileged children and makes it a great experience for all.

Cost: \$15 = donor recognition; \$20 = donor recognition plus one 2023 Circus Daddies pin; \$30 = donor recognition plus two 2023 Circus Daddies pins. **JULY DONORS:**

## SHRINERS CHILDREN'S PATIENT AMBASSADORS

As Illustrious Sir mentioned in his column, we had the chance to meet our new Patient Ambassadors at Imperial. I would like to tell you a little bit more about them:

GIANNA was born with her left leg shorter than her right one, and she faced hip malformations and other congenital left extremity limb deficiencies, said Robert Cho, M.D., pediatric orthopedic surgeon and chief of staff at Shriners Children's Southern California. "Gianna did not have a functional knee joint, and she had a non-functioning foot that was pointed inward. It would have been essentially impossible for her to walk without amputating that and giving her a prosthesis," Dr. Cho said. Gianna had her first visit at Shriners Children's when she was 3 months old, and at 9 months, she received her first prosthesis. As Gianna grew older, she became aware of her physical differences and at times struggled with her self-image. With the unwavering love and support of her family and her care team at Shriners Children's, she developed the confidence to embrace life. The prosthetics and rehabilitation teams worked with Gianna to teach her how to adapt and build the skills to meet her physical challenges.

Gary Mayben, Assistant Rabban

## Shrine Hospital Board Members

D. Michael Wallach, P.P.	Texas Hospital Board Member
David Henderson	Texas Hospital Secretary Emeritus
William Risk, M.D., P.P.	Galveston Hospital Chairman Emeritus
Gary E. Reynolds, P.P.	Galveston Hospital Chairman Emeritus
Richard P. Baker, P.P.	Houston Hospital Chairman Emeritus
James H. King, Jr., P.P.	Houston Hospital Board Emeritus

**"My Shriners Children's family taught me to never let my leg hold me back from being the best version of myself," she said.**

Now Gianna is an active high school student who is both an artist and an athlete. She is an avid sports fan and keeps busy by competing in tennis and golf. She especially loves football, and her favorite team is the Kansas City Chiefs. Her dream is to be the commissioner of the NFL someday. With her drive and spirit, Dr. Cho has every confidence that Gianna can achieve what she sets her mind to. Gianna's father was so impressed with the care his daughter received he was inspired to become a Shriner and currently serves as chairman of the Board of Governors at Shriners Children's Southern California. "I'm so proud of my dad. I'm glad that he has found a brotherhood and a community. Just as I have found support, he has, as well," said Gianna. "Shriners Children's was there for me when I

needed them," said Gianna. "I wouldn't be where I am today without them. Being an International Patient Ambassador gives me the opportunity to show my gratitude for Shriners Children's. I want to inspire and encourage kids just like me and let them know that the limits are endless. All they have to do is try!"

JUAN DIEGO - The Ruth Paz Foundation, a non-profit organization in Honduras devoted to providing quality medical services to children, learned about Juan Diego's burn injury and connected him with Shriners Children's Boston. Four months after his injury, he arrived at the hospital in Boston. Some of his burn wounds were still open, requiring immediate attention from the acute burn team. Juan Diego knew the road ahead was going to be challenging, but he approached every day, every treatment and every obstacle with a positive attitude. During his two and a half months in Boston in 2018, much of Juan Diego's treatment involved intensive physical and occupational therapy. He worked with therapists at least five days a week, sometimes multiple times a day. Occupational therapist Courtney Updegrave fabricated customized splints for his hands, enabling Juan Diego to relearn how to care for himself. He was even able to draw and play the drums again. Along with his traditional therapy sessions, Juan Diego was a member of Team Brave, the hospital's community reintegration program and competed in a Spartan Race as part of Team No Limits. He was also one of five patients who attended Game 1 of the World Series. He says it is a night he will never forget. Juan Diego transferred to the reconstructive phase of his care where Joseph Upton, M.D., a plastic surgeon hand specialist, was able to restore sensation and mobility by taking tissue from another part of Juan Diego's body and building a web space between his thumb and index finger. Juan Diego continues to come to Shriners Children's Boston for reconstructive and laser surgeries to improve the function and mobility of his hands. With every improvement, Juan Diego is able to do more of what he loves. From art and music to so many sports - soccer, football, tennis and ping-pong, Juan Diego keeps very busy. He would even love to go to the Paralympics to compete in ping-pong someday. "I should probably start practicing!" he laughed. Now a college student in Honduras studying international relations, Juan Diego is honored to represent Shriners Children's as an international patient ambassador.

## BE A SHRINER NOW

We, the Nobility, are all part of the membership team. It's up to all of us to play a part getting new members. That includes going to your Blue Lodge. We can invite Masonic friends to the great events we have coming up, including Sportsman's Spectacular, Ice Cream Bingo/Games Night, and the Shrine Circus. The more people who come, the more fun we will have!

This year to date, Moslah has added to membership 11 Nobles created, 2 restored, and 4 affiliated. Three more are presently due to be voted on in September. Let's use August to get more Petitions in to Damon Ing, the office, or me!

Ceremonial is October 21, 2023. We are planning a nice dinner and have booked a very funny guest Comedian. All Nobles are invited to Ceremonial, and you and your Lady are invited to dinner and the show. Information and an RSVP deadline will be circulated in August. It promises to be a well-attended and fun evening; seating will be limited so plan to RSVP early.

Damon Ing and I thank all the Nobility for your membership efforts this year. Together, we are building a great foundation for future years under the leadership of Damon Ing. Please contact either one of us if we can assist you in any way. We want your continued diligence to encourage membership so that we may support our hospitals and continue to enjoy our family fun and fellowship.

## Oriental Guide

Greetings. I hope this finds you and your family well, and coping with this hot Texas heat. It's been a busy summer with several parades. Shriners Imperial Session is in the books. We spent some quality time with our past potentates and their ladies. Even O.G. McChicken was spotted cruising the convention center, and had the opportunity to take a few pics with our newest Hospital ambassadors.

We still have several events on our horizon: the Sportsman Spectacular on August 12th and don't forget Moslah Family Bingo/Game night on September 15th featuring our newest INDOOR event AXE THROWING. The Moslah Divan will be serving up Blue Bell Ice Cream. Mark your calendars as you don't want to miss this. Pack the family, and bring your neighbors and friends. Do you know anyone who might be looking into being a Shriner? Well this is the perfect opportunity to show off who we are!

Don't forget about the 100 Million Dollar Club and the Blood / Burn collections. It would make a great birthday gift, Christmas gift or memorial gift.

Stay hydrated and as cool as possible – summer is still in full swing. Until next time...

# Mystic Wheels

## News from the Racin' Masons!

Nobles, Ladies...It's a very busy summer!

The Mystic Wheels have been very busy since capturing **FIRST PLACE** at TSA in Fort Worth. We had a great turnout for the Granbury July 4th parade. Granbury is a wonderful town for a parade, cruising downtown around the square, and the crowds are large and happy to see you. We had a marvelous time getting the Fez in front of everyone!

Our circus kick-off meeting was in July, and we appreciate the Divan taking time to come by and discuss this year's circus. We have everyone focused and goals are in place to grow sales over last year's great effort.

We had another great group of riders participate in the American Cowboy parade in the stock yard area on July 22. It was hot and we were following horses, but a great time was had by all. Again, the crowds were great and really enjoyed the fast and loud machines.

The Mystic Wheels had teams who participated in the Cornhole Tournament. This event is always a great time and we had lots of fun.

Next up will be the TSMPA Obstacle Course in Tyler in August. Our own Shelton Beets has been nominated for 2nd VP and to join the statewide lineup. Congratulations, Shelton!

We will be well represented at the Sportsman Spectacular, looking forward to a very fun evening.

Please visit our website, [Moslahmysticwheels.com](http://Moslahmysticwheels.com) to see our latest activities, photos, videos and upcoming events. You are always welcome at our functions!

**Hey there, Moslah Nobles! Are you and your FAMILY looking for a unit home?**

Do you want to find a great group of Masonic brothers to hang out with? Looking to make lasting friendships? Be part of a winning team? Do you like parades? Do you enjoy the thrill of competition? That rush when you take the field of competition? If that sounds like you, then we invite you to visit the Mystic Wheels. We are family oriented with Ladies and Kids at all our events. We have regular monthly activities for everyone and kid friendly activities as well. In addition, we are very active in all Shrine and Blue Lodge activities.

We ride inexpensive, traditional, open wheel go karts that are fun, fast, loud, crowd-pleasing, and easy to ride. You don't need to be able to work on them, store them, or transport them...that is all taken care of for you. We're very user friendly!

Call Bill Jones 817/608-6678, Stoney Burke 817/588-3024, or Brett Wiesner 817/360-7585 for information and to arrange a visit. One visit and you'll know why so many nobles and their families have chosen the Mystic Wheels...still the **LARGEST** and friendliest motorized unit in Texas!

# Cowtown Brew Club

July might be a slow time for the Temple, but not for the Cowtown Brew Club. We just got back from San Antonio after competing in the Alamo City Brew Battle, and we won another medal! This time taking Silver for the Saison again. Russell from Alzafar Brews Brothers took home Gold with his Order 66 Imperial Stout. Alzafar hosted the event at their Temple and did a great job. On the way down, I dropped off entries for the Austin Zealots Inquisition and the Alamo City Cerveza Fest. These two competitions are on the Lone Star Circuit. We entered version 2.6 of the Saison in both and a Kentucky Common at the Cerveza Fest. It's version 2.6 because I can't really keep up with how many times it's been changed, but this batch is the second go-round with Wyeast's French Saison blend, and it's a little hoppier – I added some cherry extract to dry it out. The Inquisition has an open class called This Beer Truly Goes to 11; they want beers that are 11 SRM and IBU and our beer is right at it.

The Zealots award ceremony will be August 12th in Austin, and the Cerveza Fest on September 16th in San Antonio somewhere.

More locally we're also entered in the Belgian Draft Horse competition. It's obviously Belgian beers, but the BJCP doesn't differentiate the Saison class so we've got that one and a Belgian Dubbel we made for TSA and Soulfire. That awards ceremony will be August 19th locally, but the venue is yet to be determined.

Looking a little more forward our Ceremonial this year stacks up with the Flying Saucer's Beerfeast, but we're going to do our best to have some samples of next year's TSA beers to serve. The classes again are: 9A Dopple Bock; 30D Specialty Spice Beer; 10C Weizenbock; 26A Belgian Single. I've made a great Dopple, but those other ones should be a challenge. Wish us luck!

# Egypt Club

The Egypt Club meetings are held on the 4th Thursday of the month at 6:30pm in the large meeting room in the basement. Membership is \$50 a year. We will be putting up Circus signs at 2 new locations in Decatur, which will give us 4 signs in Wise County. We need your help to get those citizens more interested in Moslah Shrine.

Robert Symington, Secretary/Treasurer, [robert.symington@sbcglobal.net](mailto:robert.symington@sbcglobal.net)

The Egyptian army had to suppress a rebellion back in 1457BC called the Battle of Megiddo. →

← During the time of Moses this is the territory that Egypt controlled. Moses helped Egypt control more territory for Egypt than at anytime in the country's history.

Egyptian Military men were once required to wear the red Fez.

When Moses lived in the King's Palace he was required to serve in Egypt's Military. The Pharaoh /King who ruled from Thebes to Alexandria wore a red crown, but when traveling in a chariot the Pharaoh/King would wear a different crown/head dress. It looks like the one on our Fez.
