Welcome to Month Two of the Shelter in Place Moslah News! Although there seems to be some light at the end of the tunnel, your Divan feels that we should cancel our May events for the safety of our members. This includes cancelling Bingo on May 8, our Business Meeting on May 14, and the Memorial Service on May 17. We will definitely reschedule the Memorial Service as this is an important reflection honoring our deceased members and their families.

The Divan has had a couple of Zoom meetings which have been interesting and productive. You would not believe the way some of the guys dress when working from home. We are moving ahead with our Cornhole Tournament August 8, Sportsmen Spectacular on August 15 and of course the Shrine Circus November 12-15. Speaking of the Circus, our Chief Rabban Gerald Ledbetter has been working on kicking off the ad sales campaign. He is planning a Brats and Beer pickup for ad sales packets on Saturday, May 30. We will be sending out more information soon.

We have been in contact with our friends at Darrell Whitsel Florists concerning flower delivery for Mother's Day. We have determined that safe, contact-less deliveries can be made and they have asked us for assistance. If you are able to help on May 7 or 8, please contact Chief Rabban Gerald Ledbetter. This has been one of my favorite activities over the past five years. And don't forget your mom, if you need flowers contact Whitsel – they have been a great supporter of Moslah.

The image displays four informational cards arranged in a 2x2 grid, all featuring a teal background and a cartoon bear character (Fezzy) wearing a red fez and a white shirt with a red bow tie. The cards are for COVID-19 safety, specifically for children, as indicated by the Shriner's Hospitals for Children logo at the bottom of each card.

- Top Left Card:** Titled "MAINTAIN SOCIAL DISTANCING" in large white letters. Below the title, it says "COVID-19 | CORONAVIRUS". The card shows two bears standing apart, with a double-headed arrow between them indicating "6 feet" and "2 meters".
- Top Right Card:** Titled "MANTÉN LA DISTANCIA SOCIAL" in large white letters. Below the title, it says "COVID-19 | CORONAVIRUS". The card shows two bears standing apart, with a double-headed arrow between them indicating "6 pies" and "2 metros".
- Bottom Left Card:** Titled "SELF CARE TIPS" in large white letters, with "from Fezzy" in a cursive font below it. The card lists six tips, each with a small icon: "Eat healthy foods (Fezzy loves his veggies)", "Create a daily routine", "Stay physically active", "Stay connected with family & friends online", "Get regular sleep and rest", and "Stay connected with family & friends online".
- Bottom Right Card:** Titled "CONSEJOS SOBRE AUTOCUIDADO" in large white letters, with "de Fezzy" in a cursive font below it. The card lists six tips, each with a small icon: "Come alimentos saludables (A Fezzy le encantan sus vegetales)", "Crea una rutina diaria", "Mantente activo físicamente", "Mantente en contacto con familiares y amigos en línea", "Duerme y descansa regularmente", and "Mantente en contacto con familiares y amigos en línea".

The oldest living Shriners Hospitals for Children patient turns 103!

Thursday, April 30, 2020

Irene during her birthday party

Irene Hand Roberts just turned 103 and as far as we know, she is the oldest living Shriners Hospitals for Children patient! Irene was born on April 28, 1917, at her grandmother's restaurant and boarding hotel in McLaughlin, South Dakota.

In July 1923, at the age of 6, Irene developed what was called infantile paralysis, but is now known as polio. The Hand family and local doctors tried many remedies to help Irene, but they were all unsuccessful. Irene's luck changed when a small town horse-and-buggy doctor named Dr. Twining, who by chance was a Shriner, referred Irene to the newly opened Shriners Hospital for Crippled Children in Minnesota, thus beginning Irene's long and very hard road to recovery.

Irene spent many months at the Shriners Hospital in Minnesota. Her right leg recovered, but her right arm never did. Irene never let having a paralyzed right arm slow her down, though.

Back home Irene had to work very hard to catch up, as she had missed her entire second-grade year. With only one good arm, she experienced many challenges. Yet as time went on, Irene adjusted to her new life and learned how to do things differently.

In 1930, Irene's father moved the family to Miles City, Montana, after finding work as a railroad policeman for the Milwaukee Railroad. Irene was a determined young woman. After graduating from high school, she was in the first graduating class at the new Eastern Montana College in Billings, Montana, where she earned her teaching degree. After graduating, Irene taught school for one year in a one-room school in Ismay, Montana.

Irene met and married Byron Roberts when she was 21, and they have eight children spread out over 22 years. Irene has quite a few grandchildren, and two of her grandsons and one great-grandson played in the Montana East-West Shrine Football game! The family feels this is one way they have given back for the care Irene received from Shriners Hospital.

# Use of Cloth Face Coverings to Help Slow the Spread of COVID-19

## How to Wear Cloth Face Coverings

Cloth face coverings should—

- fit snugly but comfortably against the side of the face
- be secured with ties or ear loops
- include multiple layers of fabric
- allow for breathing without restriction
- be able to be laundered and machine dried without damage or change to shape

## CDC on Homemade Cloth Face Coverings

CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), **especially** in areas of significant community-based transmission.

CDC also advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others. Cloth face coverings fashioned from household items or made at home from common materials at low cost can be used as an additional, voluntary public health measure.

Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the cloth face covering without assistance.

The cloth face coverings recommended are not surgical masks or N-95 respirators. Those are critical supplies that must continue to be reserved for healthcare workers and other medical first responders, as recommended by current CDC guidance.

## Should cloth face coverings be washed or otherwise cleaned regularly? How regularly?

Yes. They should be routinely washed depending on the frequency of use.

## How does one safely sterilize/clean a cloth face covering?

A washing machine should suffice in properly washing a cloth face covering.

## How does one safely remove a used cloth face covering?

Individuals should be careful not to touch their eyes, nose, and mouth when removing their cloth face covering and wash hands immediately after removing.

# Sewn Cloth Face Covering

## Materials

- Two 10"x6" rectangles of cotton fabric
- Two 6" pieces of elastic (or rubber bands, string, cloth strips, or hair ties)
- Needle and thread (or bobby pin)
- Scissors
- Sewing machine

## Tutorial

1. Cut out two 10-by-6-inch rectangles of cotton fabric. Use tightly woven cotton, such as quilting fabric or cotton sheets. T-shirt fabric will work in a pinch. Stack the two rectangles; you will sew the cloth face covering as if it was a single piece of fabric.

2. Fold over the long sides 1/4 inch and hem. Then fold the double layer of fabric over 1/2 inch along the short sides and stitch down.

3. Run a 6-inch length of 1/8-inch wide elastic through the wider hem on each side of the cloth face covering. These will be the ear loops. Use a large needle or a bobby pin to thread it through. Tie the ends tight. Don't have elastic? Use hair ties or elastic head bands. If you only have string, you can make the ties longer and tie the cloth face covering behind your head.

4. Gently pull on the elastic so that the knots are tucked inside the hem. Gather the sides of the cloth face covering on the elastic and adjust so the mask fits your face. Then securely stitch the elastic in place to keep it from slipping.

## Quick Cut T-shirt Cloth Face Covering (no sew method)

### Materials

- T-shirt
- Scissors

## Bandana Cloth Face Covering (no sew method)

### Materials

- Bandana (or square cotton cloth approximately 20"x20")
- Rubber bands (or hair ties)
- Scissors (if you are cutting your own cloth)

## Mystic Wheels

### *The Racin' Masons*

Hello Moslah Nobles and Ladies! Do you have your masks on?

The Mystic Wheels planned to compete at both TSA and Shrine Imperial in Kansas City, both have obviously been cancelled. We were definitely looking forward to both events and will miss the competition and a chance to see our shrine friends in other temples. Oh well, Obstacle Course in San Antonio will be here before you know it.

We send a major league Mystic Wheels welcome to NEW MEMBERS Dan Dammen and Richard Weigart Jr. We are very glad to have you on board and you are going to have a great time with the Mystic Wheels. Grab those helmets and hang on tight!

We held a Zoom unit meeting in April and will likely do the same in May. We have been using Zoom and other internet methods to keep up to date with everyone and making sure all are well. So far everyone is making the best of the situation.

We are very happy to report that Blackbeard is doing very well with his new leg! We're working through the installation of a hand throttle on his machine; watch out!

Our Entertainment Committee is about to explode with new ideas for fun events this summer. You will be receiving notices and details just as soon as we can start getting together once more.

The Mystic Wheels invite all Moslah nobles and ladies to Visit / Like our Facebook Page for more details of events/pictures/videos.

Moslah Noble, are you and your family looking for a unit home?

Are you looking for a great group of Masonic brothers to hang with? Looking to make lasting friendships? Be part of a winning team? Do you like parades? Do you enjoy the thrill of competition?

We suggest you visit the Mystic Wheels. We are family oriented with Ladies and Kids at all our events. We have regular monthly activities for the Ladies and kid friendly activities as well.

We ride inexpensive, traditional, open wheel go karts that are fun, crowd pleasing, and easy to ride. In addition we are very active in all temple and blue lodge activities.

Call Brett Wiesner 817 360-7585, Stoney Burke 817 588-3024, Bill Jones 817 608-6678 for information and a visit. Check us out; and you will see why so many nobles and their families have chosen the Mystic Wheels. Still the LARGEST and friendliest motorized unit in Texas!

## WE CAR-VETTES PROUDLY WEAR OUR FEZ AND RIDE SO OUR SHRINER CHILDREN CAN WALK!

Well. Here it is May already and by golly, we're still suffering from the coronavirus that has affected us all in some way. We Car-Vettes want to send each and all of you our heartfelt sadness and especially to everyone in our great Moslah family that was or is affected. Remember, this too shall pass and with the help of God Almighty, we will persevere. When this bad time does pass, we all hope that you and your lady will attend some of the many rewarding and fun activities at our temple, okey dokey?

This year, we were hoping to really show our stuff with our driving skill at the TSA meeting at Amarillo as well as several local parades. We didn't get to do that because of the virus, but you can bet your boots that we sure as heck will put on a good show for you folks next year, God willing! In the meantime, we are going to sign up some new Shriners and indoctrinate them into skilled Car-Vette drivers.

For May, The 1st is May Day (I'm not sure why we celebrate it, but dance around a May Pole if you want). The 5th is Cinco de Mayo (since we're Texans). It celebrates the defeat of the French army during the Battle of Puebla in Mexico on May 5, 1862. The 6th is National Nurses Day; it's to raise awareness of the important role nurses play in society, especially in this time of need. (It marks the beginning of National Nurses Week, which ends on May 12, the birthday of Florence Nightingale). The 10th is Mother's Day, a time to honor mothers, grandmothers, and great-grandmothers for their contribution to family and society. In the year 1914, President Woodrow Wilson signed into law stating that the Day would be celebrated as a national holiday. The 15th is Peace Officers Memorial Day. Peace Officers Memorial Day honors the brave men and women who have died or been disabled while in the line of duty to keep the public safe. The 16th is Armed Forces Day. It is a time to honor the men and women who currently serve in the armed forces in the United States. The 25th is Memorial Day. It honors those who died while serving in the United States military. Enjoy your month!

As I have written before, we Car-vettes just love to do parades! It's an opportunity for us that let us get our little cars and Shrine fezzes out for the good people who watch the parade. Folks line the streets smiling, shaking hands, yelling and waving at us as we drive by in our little cars. I'm pretty sure that they know who we Shriners are and what we do for their kids. While we may not get to do many parades this year, we sure hope to be out there next year! Nobles, come on out and watch some of the parades, and proudly wear your fez if you will. You might even get a chance to drive one of our extra cars in one of the parades!

### **Betcha Didn't Know:**

1. The English language is quirky, and one of the best examples of that is in the way we pronounce the words Pacific Ocean. Take your time to say it slowly, and you'll notice that each 'c' is said differently—the first with an 's' sound, the second as a hard 'ck' sound, and the third with a 'sh' sound.
2. Your heart may beat faster when you're excited and could slow down when you're relaxed, but in most cases, it tends to keep a regular pace. In fact, most human hearts beat an average of 60 to 70 times per minute and 100,000 times per day. That's about 35 million times a year, and more than 2.5 billion times during an average lifetime. Your Body has about 5.6 liters (6 quarts) of blood, which circulates through the body three times every minute.
3. Clouds may look like giant fluffy puffs of cotton, but they're actually quite hefty. According to the U.S. Geological Survey (USGS), the average cloud weighs around 1.1 million pounds (551 tons). Despite their immense weight, "that 'heavy' cloud is floating over your head because the air below it is even heavier—the lesser density of the cloud allows it to float on the dryer and more-dense air."

Hey there fellow Nobles, if you are thinking to join a unit that will give you a big reason to be proud, has camaraderie and enjoyment, look no further. The Moslah Car-Vette unit is the one for you AND your family! Yes sir, you too can proudly wear one of our bright yellow uniform shirts and drive one of our classy looking little yellow Car-Vettes. The car is a "gussied" up fancy go-cart, but you don't need to buy a new one....we do have a couple of slightly used ones for sale, about \$800-\$1,000.

We Car-Vette members always believe in safety over speed. We offer a very positive, friendly and fun family environment to enrich your Shrine experience, and we especially love doing parades. You can join us as an active driver or even as a social member, either way you will be in one of the finest units Moslah has to offer.

If any of you Nobles would like additional information, have a question, or just want to test drive one of our cool looking go carts, let us know. Don't be bashful; you can contact President Chuck Huddleston at (817) 441-1359, Colonel Cecil LeMond at (817) 247-0246, or really, any of our members. We are a VERY proud bunch of fellas and will be happy to talk to you about joining our special and unique unit.

Chuck Huddleston,

Car-Vettes

## Clowns

### Hello from the Clown bunker:

I have no idea what to write about for this month or upcoming months, other than to say the Clowns are all good. We have all been practicing "stay at home" except for the few that have to go to work and we thank them for their sacrifice.

Not too much to report during this time period. I am happy to announce that I, Scooter, can make my own coffee without any help from BooBoo. Once the Corona Virus runs its course, the Clowns will be working hard on the future circus hair growing skit. We will be looking for volunteers to assist in building the props and rehearsing the skit for the 2020 Shrine Circus ~ "Clown for a Day".

I will leave you with small piece of advice; if y'all need a good laugh for the day; do what I do and look in the mirror.

Jim "Scooter" Godsey Clown President 2020

Nobles and Ladies, the Golf Unit like much of our society today has been pretty quiet. But we do have a couple of things to share with you.

Illustrious Sir Jeff Barcafara is certainly obeying the stay at home orders. But he wanted proof in case his boss asked. So we are publishing a photo of Jeff at home in his office, before the restrictions, and Jeff at home on the golf course, after the restrictions. Notice the social distancing Lady Diana is maintaining which causes a lot of us to wonder: What happens in the house?

Speaking of golf, the golf courses are open, with some common sense restrictions, and the Golf Unit Vice President Jeff Harris has busily kept up morale by scheduling golf play days. On Saturday, March 21st we had (4) Moslah Golf Unit Nobles play at Mansfield National Golf Club. And other play days are in the pipeline, weather permitting. If you would like to get out of the house and play golf, tell Dave Harris. Cell phone 817-629-0035 and email Daveharris54@Hotmail.com. Go for the gusto!

President Marvin was mulling over some Golf Unit history back in January when he was installed as President, and came across some old photos of his time as President in 1989. Notice the outfit and the MOSLAH Golf Unit Logo Golf Bag supplied by MOSLAH. Quite the golfer and MUCH younger! 30 years later installed as President again! Who says history doesn't repeat itself, hey? Too bad the youth doesn't return too. (By the way, Dave Harris has sourced a new MOSLAH Golf Unit Logo Golf Bag for our Golfers.)

*\*The Golf Unit is conducting its regular monthly meetings via Zoom. Technology is great! And we get to visit with members that can't often come to meetings. Best of all is we get to see each other and visit.*

Nobles, if you are looking for a Unit that will once again rise to the occasion with great parties and great golf after America defeats this evil plague, just contact us. We would love to hear from you!

Best to all, Marvin Champlin, Recycled President & Elder

## \*\* Eastchase IHOP Waitress Receives LOH Incentive Award \*\*

February 25, 2020 - Fort Worth's Eastchase IHOP waitress Jazmine Perales receives an \$50.00 Gift Card from Moslah Shrine Legion of Honor Commander Paul Sawyer and Fredrick Watson, Assistant Manager looks on. An anonymous LOH member donated a gift card to the Eastchase IHOP employee who helped raise the most donations during the Annual IHOP Pancake Day in support of the Shriners Hospitals. Currently, Store Manager Francisco Jarumillo states that this Eastchase IHOP was either the top or close to the top Fundraiser of all the IHOPs in this district. We want to express Moslah Shrines gratitude to the Eastchase IHOP management team for the great support they have provide to Shriner's Hospitals and its many patients who are treated regardless of their ability to pay only through various fund drives such as this.

LOH members working this event were Commander Sawyer and his wife Edith and 2nd Lt Cmdr. Art Pena. TMRC Shrine Club members working this event were Nobles Jim Cornish, Bruce Wilson, Harold Baker & Lady June, Paul Sawyer, President and Lady Edith.

# Potentate's Column

(Continued from page 2)

Our newest club, the Moslah Shriner Shifters, had a unique idea and hosted a virtual car show on April 18th. There were 25 entries and they let me pick the "Best in Show". I chose a beautifully restored 1969 Camaro Z-28, a muscle car close to my heart. Please check out the club's Facebook page. They plan on having many more activities once we are able to get out in public.

If you have not heard the news, both the Texas Shrine Association's Summer Ceremonial in June and the Imperial Session in July have been cancelled. I am disappointed but understand the need for the safety of our members.

We are working on some exciting activities to get Moslah up and going once the COVID-19 danger has passed. Hopefully the June Moslah News will contain details of future in-person events. The membership team is working to meet virtually for now and get started with some fun.

Yours in the Faith,

Jeff Eaton

## **Any Unit in need a Provost for their event,**

please email me at [rescuemedic1@tx.rr.com](mailto:rescuemedic1@tx.rr.com). The earlier I know about the event, the easier it is to get it covered.

Thanks for all you do.
