WE'RE BACK!

I hope everyone has enjoyed their summer break, gotten plenty of rest, and are recharged and ready to get back to work and to that Fun and Fellowship Shriners are known for. As we head into September and the Labor Day weekend, marking the end of summer and hopefully the end of this unbearable heat wave, Moslah has a very busy schedule planned. The Divan will begin making Unit Visits in September to bring you up-to-date on what is ahead for the remainder of the year, and I bet our Chief Rabban has something to say about the Circus.

September and October are going to be very busy for Moslah starting with our Business Meeting and Ladies

Program on September 14th. We will be serving fried catfish for dinner, and the Ladies have a very exciting program planned, Mixology – Learn to Mix Cocktails and Mocktails. Please get your RSVP submitted; these really help us plan for the meal and manage our costs. The Family & Friends Game Night will be the following night, September 15th, with ice cream served by your Divan, Bingo, and Axe Throwing. This should be a blast, so bring your family and friends out for an exciting time.

As Shriners we are obligated to support, what I consider, the World's Greatest Philanthropy, Shriners Children's. Our hospitals are top of the line and there are none better. We have an opportunity to show our support with our Fall Street Collections on September 23rd. Assistant Rabban, Gary Mayben, and HFD Chairman, Marvin Woods, have the plans in place so get ready to proudly volunteer your time to make this year's collections one of the best yet. I can't wait to see you all out shaking the bucket for our Shriner's Kids.

Lady Penny and I had the opportunity recently to attend the 2023 TSMAPA Obstacle Course held in Tyler on August 3rd through 5th. I am proud to say Moslah was very well represented and took home our fair share of the awards. The Moslah motorized units are very instrumental in not only participating but running the event. Penny and I were very proud to represent Moslah and support our motorized Nobility. It was a great event, and the hospitality we received was exceptional. I was honored to be in attendance and see one of our own, Noble Shelton Beets, be sworn in to the officer line up. Congratulations, Shelton; Moslah is proud to have you represent us and lead the TSMAPA organization. I know you will do a great job.

The Sportsman Spectacular was on August 12th and if you missed it, you really missed a great event. This is probably our second most important Fraternal Fundraiser and your Chief Rabban Coty Owens and his Lady Beth, along with their volunteers, knocked it out of the park. The ballroom looked fantastic, representing our Great State, and the fun, fellowship, and fundraising was definitely showcased. Great Job, Coty and Beth. I also want to give a special thank you to all who donated items, worked the event, and helped make Moslah look good. Noble Brandon Reese was presented a well-deserved gift of appreciation for all he does for Moslah and our fundraising efforts. *(Continued on Page 3)*

Potentate's Message *(Continued)*

As most of you know our Circus is going to be in October this year instead of November. This is our primary fraternal fundraiser and your opportunity to do your part. Ad sales have been kicked off and tickets are available for sale. Don't wait until the last minute, let's get to work.

Membership is our key to longevity, and the Ceremonial on October 21st is fast approaching. Make sure you get with HP&P Brett Boone and get those petitions submitted. The September Business Meeting will be our last opportunity to vote on new members prior to the Ceremonial.

In closing I want to inform you of some exciting opportunities coming our way to help support our philanthropy even more. If you haven't heard, the East West Shrine Bowl will be played at the Ford Center at the Star in Frisco on February 1, 2024. The Shriners College Showdown Baseball Tournament will be held at Globe Life Field in Arlington, home of the Texas Rangers, February 16th - 18th in 2024. Moslah will be afforded several opportunities to volunteer and support these events. We have started having preliminary meetings with Shriners International and will have more information very soon. There is currently a meeting scheduled for September 16th, see details below, where much more information and details will be provided – the meeting is open to all Nobility. Please try and attend this meeting. These events will not only be opportunities for Moslah to show our support for our hospitals, but also great opportunities to introduce potential members and their families first hand to what we do. We should all be very excited about these opportunities.

Yours in the Faith, *Jerry Henderson*

From Dustin T. Johnson, Shriners International National Associate Director of Sports

We will host a town hall meeting on **Saturday, September 16 at Hella Shriners at 11:00am** to discuss two large-scale sporting events in Texas next year. Sportsman Spectacular

We held our Sportsman Spectacular on August 12. This was our twelfth year and as I spoke to the auctioneer, he stated that ours is second only to the Ducks Unlimited event for Fort Worth that he is aware of. We had 27 guns that were raffled off and some great items on the silent auction as well as some fun trips that were auctioned off live. Congratulations to all of those who won a gun or a trip.

I would like to thank everyone who helped to support this year's Sportsman Spectacular. This is a huge undertaking, and would not be possible without the support of the nobles and volunteers who help serve selflessly. This event is a huge fundraiser for Moslah and as promised it was fun and exciting.

Circus Update

The Moslah Shrine Circus is coming to town from October 26th to the 29th at the Fort Worth Coliseum, and it's going to be a wild ride! This is the largest yearly fundraiser for Moslah, and we need your help to make it a success.

Preparation for the circus is in full swing. We have distributed the ad sales packets to the units and nobles. These packets contain information about the circus and how to purchase ad space. I encourage everyone to sell an ad to their friends and family. Your ad will help to reach a large audience and raise awareness to the business. You can also sell circus tickets to your customers and friends. Tickets are on sale and available for purchase in the office. No matter how you choose to help, your support is appreciated. If anyone has any questions, please feel free to reach out to me. I will be happy to assist in any way possible.

Circus sign pick-up will be at the Directors Building (2000 Samuels Ave) on September 16th at 7:00am. Please mark your calendar and try to attend. The more nobles who show up to help the less workload on everyone. We will have coffee, donuts and kalaches there for breakfast.

Circus Daddy Pins are another great way for people to support the Circus and Moslah Shrine. If you haven't done so already, please call the Temple Office (817/335-9469) and request yours today. This program supports our efforts to make the circus available to underprivileged children and makes it a great experience for all.

Cost: \$15 = donor recognition; \$20 = donor recognition plus one 2023 Circus Daddies pin; \$30 = donor recognition plus two 2023 Circus Daddies pins.

Oriental Guide

Hello to everyone. I hope this newsletter finds you and your family well. We are quickly approaching our 4th quarter of this year, and slowing down doesn't seem to be in our immediate future. One of the hottest summers on record is almost past us, and we are quickly approaching our circus season. The Divan is also about to start the second round of unit visits. I have contacted 90% of unit presidents, and verified time and dates. We are looking forward to the visits.

It's not too late to continue our Blood/Burn donations. We hope to have everything for this year's total turned in to the office by the first week in December so the donations may be disbursed to our hospital.

The 100 Million Dollar Club is doing very well. We still have several months to continue our efforts with this great endowment to help further efforts for our great health care system. This makes a great Christmas gift to honor a loved one, coworker, or our brother Masons. If you need more information on this or

Motor Corps

Moslah Wins Again!

August kicked off with the TSMAPA Obstacle course. This is a fun filled weekend of motorized vehicles, shenanigans and fellowship. Moslah Motor Corps showed up in force to win all we could in this time trial. But of course the core competition was among ourselves. With Kenny Beck and William Knight barely edging each other out for wins. Kenny Beck took 1st on the Moslah Weeeee (mini-bikes) at 40.099, beating William by 0.727 seconds. However William came back to win fastest on the reverse ride on the Weeeee at 38.882s, beating Kenny by only 0.312 seconds. Illustrious Sir Jerry Henderson also showed up to win "Fastest Moslah Potentate."

This year's Obstacle also marked the end of Motor Corps' own Mitch Newstadt's term as TSMAPA President. Congratulations Mitch on a successful year! As Mitch stepped down from the TSMAPA line up, Moslah's own Shelton Beets of Mystic Wheels was voted in as the TSMAPA 2nd Vice President. Congratulations Shelton, and we wish you success over the next three years!

Continued next page

Motor Corps *(continued)*

All in all Obstacle was a big win for Moslah. Not only did we win all we could, this is the second year in a row the Moslah Potentate has brought back a trophy (can we make it 3?). The biggest win though was in Fun and Fellowship. Especially in Fun; I mean there was even a motorized cooler we all got to ride.

If you didn't make it this year, we hope you can join us next year to share in the Fun!

Mystic Wheels

Nobles, Ladies...will it ever rain?

News from the Racin' Masons!

The Mystic Wheels participated in the TSMPA obstacle course competition in Tyler. This is a time of enormous fun as each unit competes against the clock on a 400 foot long course of twists, turns, etc. Competition was fierce and we finished in 2nd place.

Also at the TSMPA meeting in conjunction with obstacle competition, our own Shelton Beets was elected 2nd VP of the organization. We know Shelton will do a great job, bringing plenty of energy, enthusiasm, and ideas to the position. Congratulations Shelton!

The Ceremonial is coming up fast and we have THREE new "members" who will be participating at the Ceremonial. As always, the Mystic Wheels will be presenting the Arch program at the event. We can't wait to get our new guys their Fez!

The Mystic Wheels have been invited back to the West Texas Fair and Rodeo parade in September. This is an excellent affair and a lot of fun. Great people, great city, great crowds. We will have a large contingent participating.

We had a wonderful time at the Sportsman Spectacular and our own Molly Collins and Bubba Frank won firearms! This event just gets better every time and without a doubt a super time was had by all, can't wait for next year!

Please visit our website, Moslahmysticwheels.com to see our latest activities, photos, videos and upcoming events. You are always welcome at our functions!

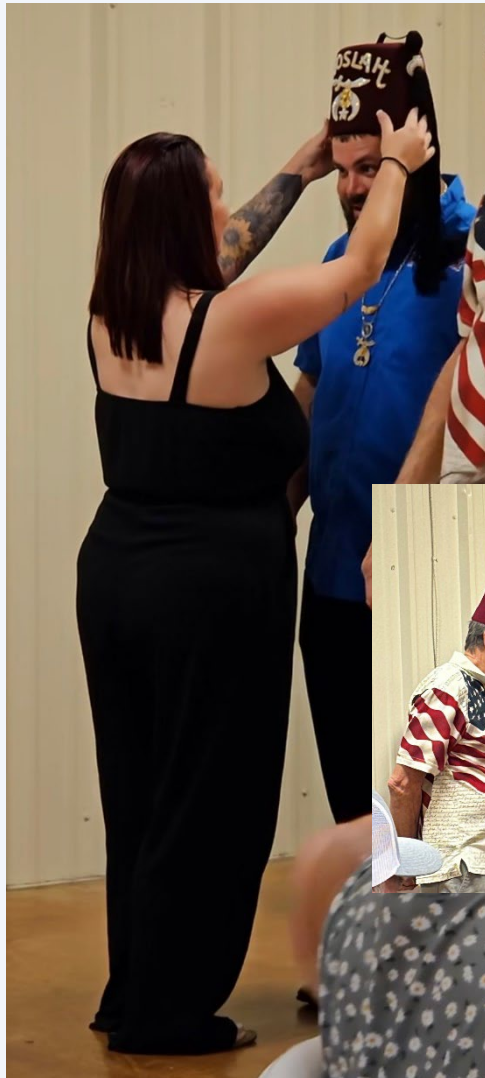

Hey there, Moslah Nobles! Are you and your FAMILY looking for a unit home?

Do you want to find a great group of Masonic brothers to hang out with? Looking to make lasting friendships? Be part of a winning team? Do you like parades? Do you enjoy the thrill of competition? That rush when you take the field of competition? If

that sounds like you, then we invite you to visit the Mystic Wheels. We are family oriented with Ladies and Kids at all our events. We have regular monthly activities for everyone and kid friendly activities as well. In addition, we are very active in all Shrine and Blue Lodge activities.

We ride inexpensive, traditional, open wheel go karts that are fun, fast, loud, crowd-pleasing, and easy to ride. You don't need to be able to work on them, store them, or transport them...that is all taken care of for you. We're very user friendly!

Call Bill Jones 817/608-6678, Stoney Burke 817/588-3024, or Brett Wiesner 817/360-7585 for information and to arrange a visit. One visit and you'll know why so many nobles and their families have chosen the Mystic Wheels...still the LARGEST and friendliest motorized unit in Texas!

Shelton Beets was installed 2nd VP of TSMPA during the Obstacle Course event.

Cowtown Brew Club

Hello Moslah! Coming in hot from the August meeting at Funky Picnic. That was the most attended meeting we've had in quite some time! As far as club events, we really didn't do much after the busy July. As for recent competitions we didn't medal in the Austin Zealots Inquisition or the Belgian Draft Horse events, but I got some great feedback that'll help on the next brew. The good news is the original Saison recipe is still entered in the Alamo City Cerveza Fest along with the Kentucky Common we had at the last business meeting. We'll find out September 15th!

For upcoming events we've got a Dunkles Bock entered in the O'Zapt competition that Cap and Hare puts on every year. Basically the same recipe that won gold at TSA this year. There is also the Pride of Southside competition at SiNaCa Studios on Magnolia. It's an open competition where the attendees pick the winners. We can enter two beers so I'm thinking about a pumpkin ale and the dunkles if it does well; if not I'll do the Saison again. With the judging process you really need to cater to the crowd that day. Being late October of course pumpkin!

That's all I've got for now. Our next meeting is September 28th at False Idol in North Richland Hills. Hope to see you there!
