

# Give to those in need this Christmas.

## Here's how you can help.

People need your help. They need the basics: food, clothing, and household items. Without your help, many children will go without Christmas gifts this year. Can you make room in your life for our neighbors in need? If you can help, support our diocesan sponsored organizations or your parish and community ministries. If you need help, please give them a call.

Catholic Social Services (CSS) is an anti-poverty agency whose goal is to empower people in need—regardless of faith or background—with the tools they need to reach their full potential. CSS helps working-poor families stabilize and become self-sufficient through case management, mental healthcare, and emergency assistance. We help low-income seniors age with grace and independence through supportive services and community-impact opportunities. Whether we are working with families or seniors, we know that poverty is complicated and requires holistic solutions. CSS has 70 years of experience working with people in need in central and southern Ohio. Each year, our agency helps 34,000 people in our 23-county region.
