Subscribe to Bound

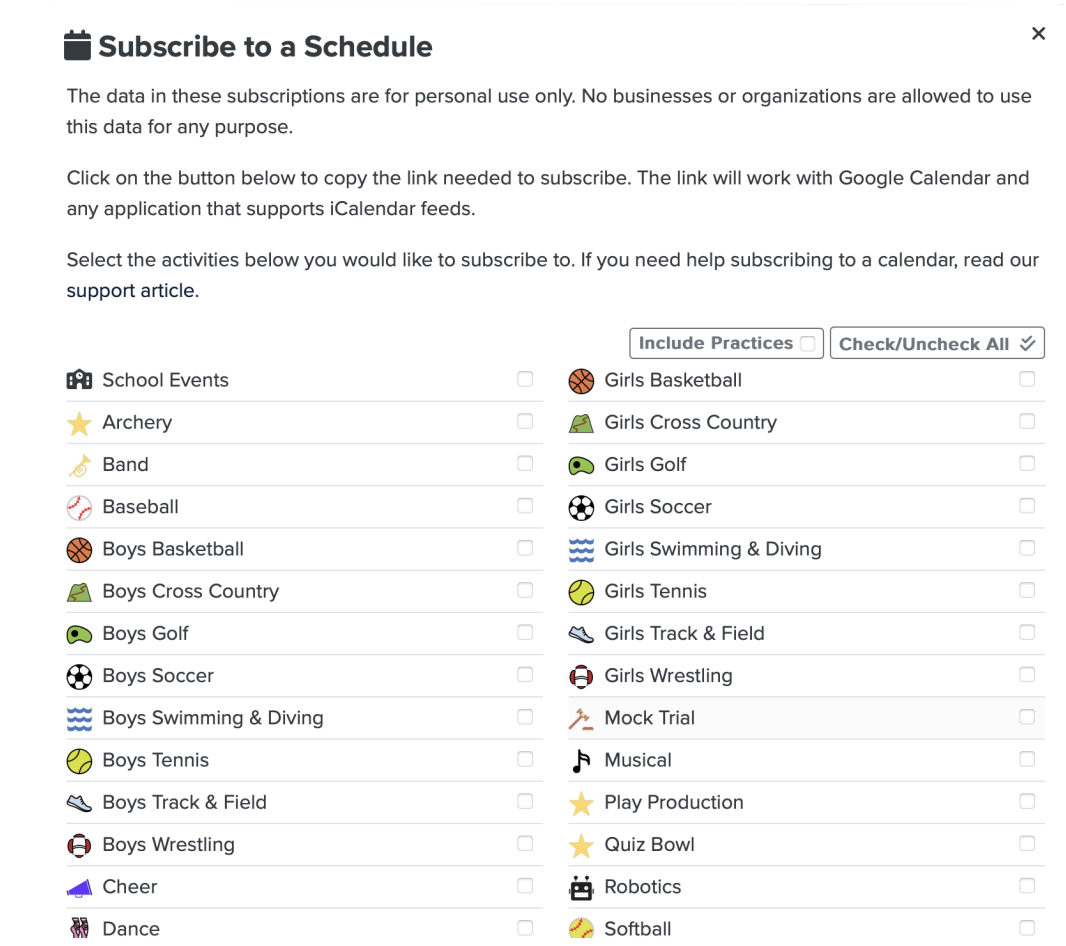

Laptop/Desktop Computer

1) Go to the Bound Calendar: [View Here]

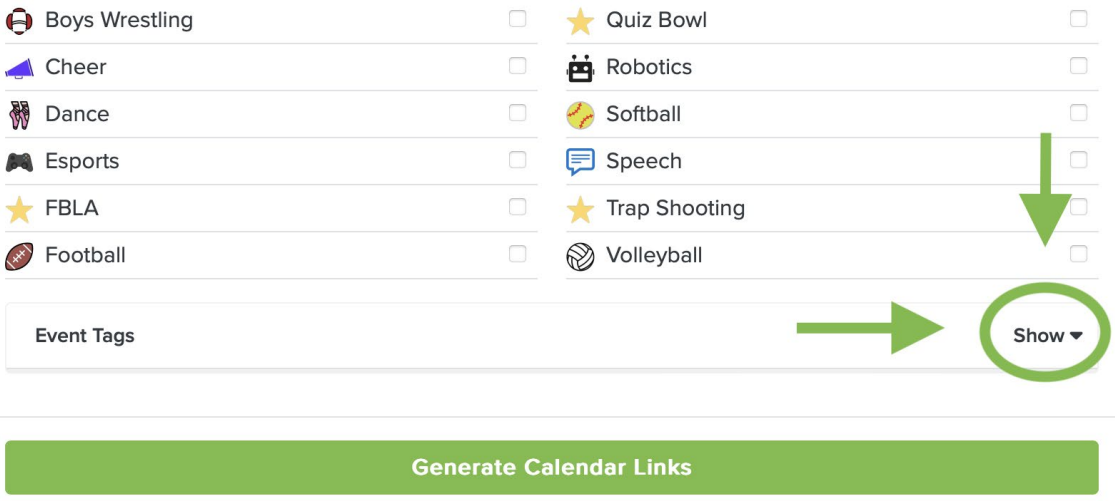

2) Click on the RSS feed button →

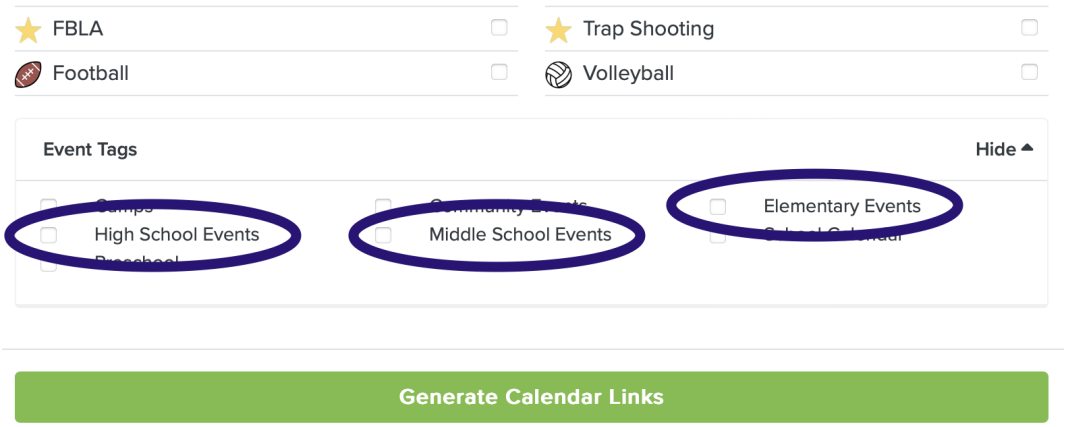

3) Click on any activities you want to pick.

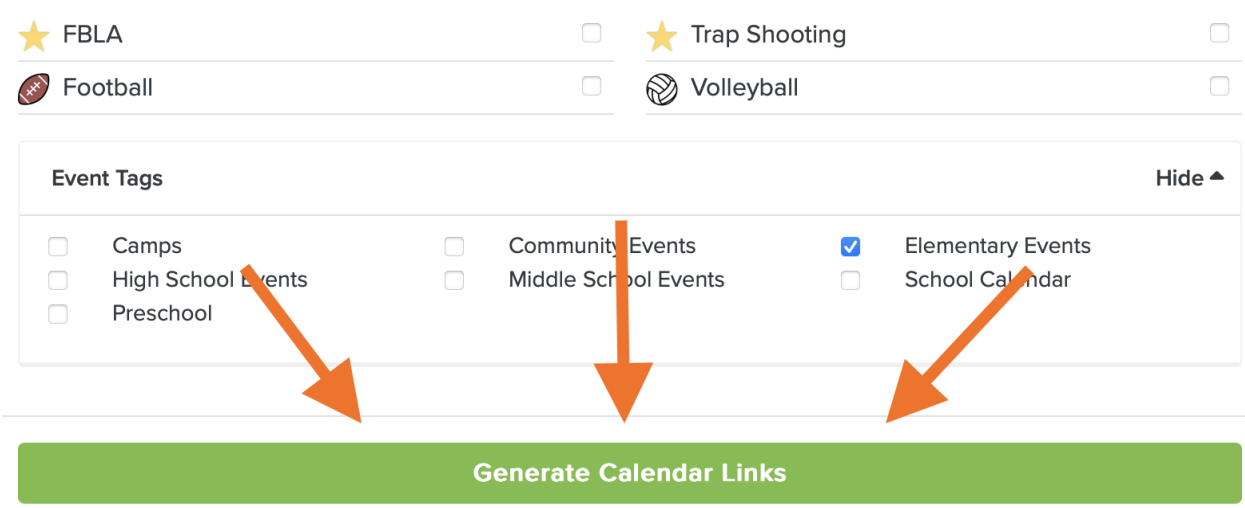

4) Scroll to the bottom to see additional activities OR to find the EVENT TAGS button where you can find calendars for the Elementary School, Middle School, or the High School.

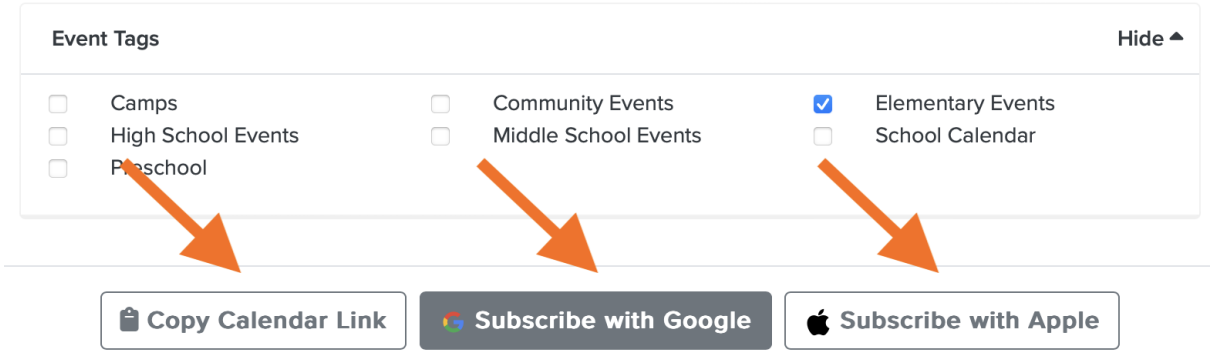

5) Select any activities or event TAGS you want to subscribe to. You may choose to subscribe to multiple events and tags all at the same time OR you can repeat this process multiple times to have only certain activities or event tags grouped together in calendars.

6) After you select all the activities and tags you want, click the Generate Calendar Links button at the bottom of the window.

7) Decide if you want to copy the Calendar Link, Subscribe with Google for Google calendar, or Subscribe with Apple for iCal.

8) Follow the prompts for the button you push. If you click “Subscribe with Google,” after you click, you will need to scroll down farther to find the directions for adding this calendar to your Google calen
