

See You at the Pole

Date: Wednesday, Sept. 17

Time: 7:15 am

Location: Near the flagpole outside the main entrance

All students are invited to gather for a special time of prayer led by Mr. Jipp. We will begin with organized prayer, followed by an open time where students and staff may pray if they wish. We will then close together with the Lord's Prayer.

About *See You at the Pole*

See You at the Pole began in 1990 in Burleson, Texas, when a small group of students prayed at their school flagpoles. That first gathering brought together more than 45,000 students on 1,200 campuses across Texas and neighboring states. Since then, the movement has grown into an annual, student-initiated event involving millions of Christian students around the world who gather each September for prayer and worship before school.

This is a wonderful opportunity for us to come together as one in faith and community. Parents are welcome to attend. Elementary students may be dropped off at the front entrance, where Mrs. Marty and staff will gather with them and escort them back to the Elementary Wing after the event concludes.
