

Dear Concordia Community,

We are excited to share an update about a special opportunity for our students! This year, we are launching a new program that combines Concordia's Growing Giving Hearts with last year's Benjamin Project.

Here's what you need to know:

- Students can apply to be a part of this generosity initiative.
- One student from each grade (K-12) will be selected to participate — 13 students in total.
- Each student will receive seed money to bless someone or a group in our community. Amounts will vary by grade level, ranging from \$100 for early elementary up to \$400 for high schoolers.
- Students will lead their own projects — planning, giving, and sharing how their gift made an impact.
- This program teaches students about generosity, service, and using their gifts to glorify God.
- At the end of the project, students will share their stories through photos, videos, or presentations.

Important Dates:

- September: Applications
- October 1 - Selected participants notified
- December 1 - Project Completed (any events or gifts presented)
- January 1 - Project Wrap-up completed (any pictures documenting the process or presentation created)
- January - Videos Recorded (done at school by media club)

This initiative is possible thanks to the generosity of an anonymous donor and our partnership with Global Doing Good. [Here is the link for students to apply!](#) We look forward to seeing how God uses our students to grow giving hearts and shine His light in our community!

"Each of you should use whatever gift you have received to serve others." — 1 Peter 4:10

In His grip,

A handwritten signature in black ink that reads "Kayla Marty".

Growing Giving Hearts
