

Vision Sonora Design Review Committees past accomplishments:

1. **Installation of the Fountain parking lot garden.** Filled with Santa Barbara daisies and knockout roses. *Thanks to the Master Gardeners for design and Lowes for plants and a labor force.*
2. **Placement of additional benches downtown.** Thanks to local businesses and individuals for [sponsoring a bench](#) for \$1,500 each. Please take note of the lovely plaques on each bench. You can still sponsor a bench today.
3. **Additional garbage and new recycling cans.**
4. **Doggie bag dispensers.** *Thanks to Visit Tuolumne County, The Tuolumne County River Trust and Sonora Chamber of Commerce.*
5. **Designed the new farmers market bathroom** (city staff to complete)
6. **Designed new bus stops for Stockton St.** (city staff to complete)
7. **Parking lot way finding signs.**
8. **New LED string lights in Coffill Park.**
9. **Removal of the outdated water fountain in Coffill Park** to make room for larger groups to congregate. Sonora Chamber of Commerce holds their Summer Concert Series there from June-October.
10. The committee has designated businesses that have made improvements to the outside of their buildings. At City Council meetings the Mayor has awarded **"Certificates of Appreciation"** that say, "For caring to improve the appearance of Historic Sonora."
11. **The temporary closure of Linoberg Street including:**
 - a. New string lighting, road resurface and stencil, pots with flowers, 2 artful arbors created by local artists, olive trees in barrels, marble tables, garbage, recycling and doggie dispensers and historical banners. *We would like to thank Carol Fox, Lowes and Blue Mountain Minerals for their donations and the entire Vision Sonora Design Review Committee for rolling up their sleeves to keep this project moving forward.*
