## PUBLIC INFORMATION ACT REQUEST

Chief Melissa Hyatt  
Baltimore County Police Department  
700 E Joppa Road  
Towson, MD 21286

Re: Background Information - Proposed Baltimore County SAFE Act

Dear Chief Hyatt:

Under the Maryland Public Information Act, I hereby respectfully request the following data and information for the years 2015 through 2019 year to date.

1. The business names and addresses of all firearms retailers currently operating in Baltimore County.
2. The number of times each of these dealers have been burglarized in the last 5 years.
3. The security provision in place at each of the retailers at the time or times the retailer was victimized.
4. The make and model of each firearm stolen by incident. Should the make and model information be unavailable the information as to firearm type (e.g. pistol, revolver, shotgun, rifle, or "other" firearm type)
5. In each incident, was an automatic security and/or intrusion alarm was transmitted.
6. The response time from alarm to arrival of the first law enforcement unit(s).
7. The number and type of stolen firearms recovered by law enforcement by incident.
8. The number and type of stolen firearms subsequently used in a crime by incident.
9. The business names and addresses of all firearms retailers impacted by the proposed legislation.
10. The business names of each retailer who participated in discussions and/or were consulted on the proposed legislation.
11. Copy of the proposed legislation.

Please feel free to contact me with any questions you may have.

Respectfully,

John H. Josselyn
