Dear Chief of Staff Hunter,

A week ago, I suggested that we have a "serious no holds barred, frank and intellectually honest conversation on the real cause of the juvenile / young adult and ultimately adult crime problem." I attached several reports I generated using data from the Maryland State Police and the Maryland Coordination and Analysis Center.

I have not received a response from you on this suggestion. Are you and/or Chairman Clippinger amenable to such a meeting and discussion?

Importance: High

Dear Chief of Staff Hunter,

Thank you for your prompt response to my email.

Attached is a compilation of data on the demographics of homicide in Maryland 2011-2020 and homicide trends 2013-2021. No frills, no spin, just a compilation of the UCR data provided by the State.

Perhaps we could have a serious no holds barred, frank and intellectually honest conversation on the real cause of the juvenile / young adult and ultimately adult crime problem?
