

DEPARTMENT OF ENERGY

DOE Release I Topics are published

Letters of Intent due by August 29, 2022

Full proposals due on October 11, 2022

The Department of Energy (DOE) has issued its FY 2023 Phase I Release 1 Funding Opportunity Announcement (DE-FOA-0002783) for the SBIR and STTR Programs.

Qualified small businesses with strong research capabilities in science or engineering in any of the research areas sought in the announcement are encouraged to apply.

The following DOE program offices are participating in this Funding Opportunity Announcement:

- Advanced Scientific Computing Research
- Basic Energy Sciences
- Biological and Environmental Research
- Nuclear Physics

Downloading the Funding Opportunity Announcement (FOA) and Topics

- The FOA (DE-FOA-0002783) is now available [here](#). All information for current SBIR Funding Opportunities at DOE can be found [here](#)

The Topics for Release 1 are available [here](#).
