

IMGL "NEXT GEN" PUB CRAWL

On Wednesday April 27, in conjunction with the Emerging Leaders of Gaming, join other young lawyers (and the 'young of spirit') in exploring the many unique pubs, bars, and speakeasies of Seattle's hipster nightlife scene! Begin your night at Zig Zag Café, followed by Bathtub Gin & Co., and end the night at Fog Room! This event will begin after the Opening Reception ends (approx 7:30 pm)

ZIG ZAG CAFÉ

Zig Zag Café is internationally recognized as a pioneer of the classic cocktail revival. The bar is a labor of love, envisioned by its creators as an ideal workspace that would allow bartenders to perform their craft at the highest level. The curved bar wraps around the bartender to ensure individual attention to each guest.

BATHTUB GIN & CO.

Bathtub Gin & Co. is a warm prohibition style cocktail bar perfect for those rainy Seattle nights. Sip on local gin and tonics, choose a classic cocktail like an old fashioned, or be daring and have one of our bartenders concoct one of their favorites.

FOG ROOM

Elevate your evening at Fog Room Sky Lounge & Terrace, high above 2nd Avenue in downtown Seattle. Fog Room blends a sultry ambiance with a modern-chic atmosphere for a unique rooftop setting.
