

Filinvest Development Corporation Secures PAGCOR License for \$200 Million Resort & Casino

The Innovation Group warmly congratulates our client, Filinvest Corporation (FDC), on [securing a gaming license from the Philippine Amusement and Gaming Corporation \(PAGCOR\)](#). The Innovation Group was commissioned by Filinvest to assess the market potential and to conduct a thorough feasibility study for the proposed development project in Clark. The study not only included analyses to evaluate demand, visitation, and revenue streams for the proposed property, but also incorporated the economic and demographic landscape of the region, tourism trends, and relevant market dynamics. Additionally, in providing a comprehensive variety of key pre-licensing efforts during the course of PAGCOR's review and approval process, The Innovation Group was also an integrated part of Filinvest's license application process to secure the gaming license granted by PAGCOR.
