BOOK BAGS

Empowering children to
Play, Write & Read!

PoWeR! Book Bags is looking for “pals” to help us increase local literacy!

Nearly half of the children in the eight counties we serve in Lower Northwestern Michigan are not proficient in Language Arts on the required state M-STEP test. We can't allow Michigan to continue to be ranked 35th out of 50 states in fourth-grade reading skills.

YOU can help by being a PoWeR! Pal.

As a PoWeR! Pal, you will be donating to improve the skills of local children who are living in low income families. These children are missing the books and support to achieve the skills needed for success in our modern world.

Share this with friends! Let's increase our circle of PoWeR! for children's literacy.
