AECOM TISHMAN

XBE Program Goals Overview

Gareth Middleton, SVP
Transportation & Infrastructure

Timeline Overview

Construction at site begins late Q2 with the Port opening in winter 2023/2024

- Groundbreaking took place September 9, 2021
- Timeline driven by technical and permitting realities

Phase 1 construction activity

- Earthworks – underway
- Dredging – start in March
- Wharf building – contract award imminent

The second phase of work is expected to start in 2023/2024 and be ready by 2026

XBE and Local Program Goals Overview

Established a new standard for inclusion of women- and minority-owned businesses in contracting

- 15% minority, women, veteran-owned businesses
- 25% small businesses
- 3% disabled veterans
- AECOM has also committed to a 6% set aside goal for local businesses
