

## **PARTICIPATE IN OUR ANNUAL “TUXEDO CARD” CONTEST FOR A CHANCE TO WIN \$50!**

The season for proms and dances will be here before you know it! Please join the Salem Cumberland Regional Action Toward Community Health (SCRATCH) Coalition in our annual “*Tuxedo Card*” Contest. SCRATCH is encouraging teens to design a positive message about staying safe during prom and dance season by not drinking alcohol.

The winning design could encourage your peers to stay alcohol free during prom and dance season, discourage parents from serving alcohol to those underage, or depict a positive post-prom or post-dance activity that serves as an alternative to partying.

The winning design will be voted on in March and then several hundred postcards will be produced of the winning design! The finished postcards will be placed in various businesses and organizations in Salem County. The winner will be awarded a \$50 gift card and will have their design, and inspiration for it, featured in our newsletter and possibly the local paper! The winning teen will also be invited to our April meeting in honor of Alcohol Awareness Month and be given even more goodies!

If you would like to enter (we hope you do!) please see contest information, details, and rules on the back of this page. We look forward to seeing all of your awesome entries!

# Contest Information, Details & Rules!

**ABOUT US:** SCRATCH is a community-based group aimed at reducing substance abuse among youth in Cumberland and Salem Counties and is made up of representatives from various sectors of our community including local teens. Our members care about you and the areas where you learn, hang out, and grow!

**ABOUT THE CONTEST:** Rather than having adults come up with messages for your peers, we want local teens to do it - after all, you know best! Your design can be drawn, painted, or designed with the computer. All designs **MUST** be original and **NO** copy-righted sayings, images, or artwork can be used. For judging purposes, please submit your completed design on a white piece of 8.5" x 11" paper. If you are chosen, and you did a computer design, we will be reaching out for a PDF of the artwork.
