

Be  
curious.

You will be  
entered to win a  
free camp if you  
register before  
March 1!

### SCIENCE Environmental Explorers

Young scientists delve into concepts such as wildlife research, dissection, geology, and microscope discovery in this hands-on camp.

Grades 6-8 | \$299  
July 31-Aug 4 | 9-3:30p

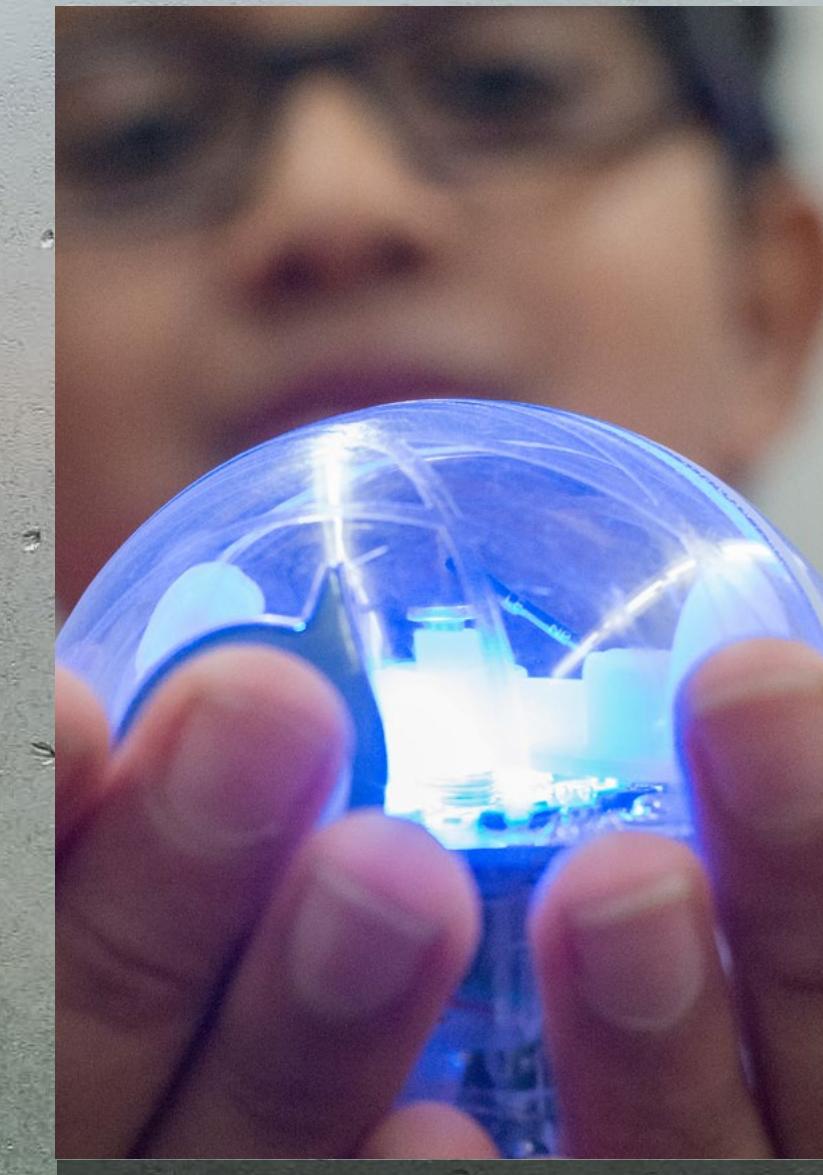

*This camp is fun, you  
get to go to places  
you've never been.*

CONTINUING EDUCATION

# STEAM SUMMER YOUTH PROGRAMS

### TECHNOLOGY

#### 3D Video Game

Students learn the physics behind 3D games, explore beginner event scripting, level design, controlling flow of gameplay, and storytelling.

Ages 8-14\* | \$279  
July 24-28

#### APP Attack!

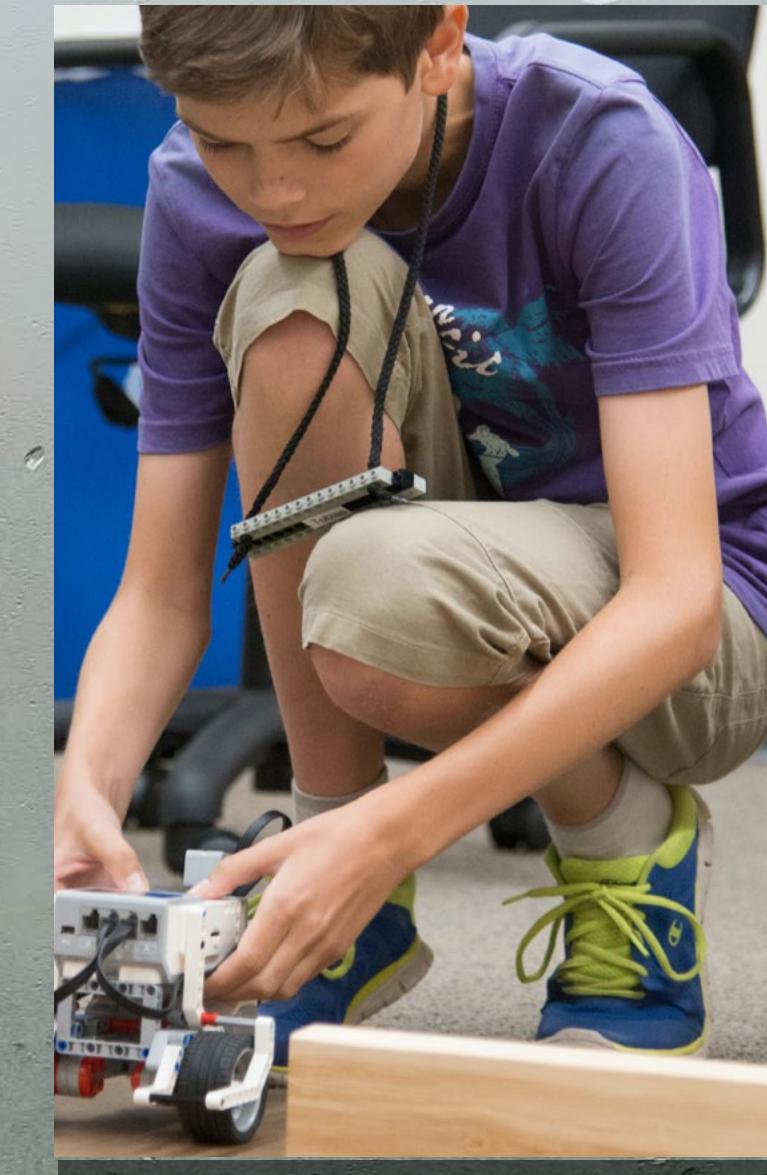

Using a specialized app and game development tool, students explore the world of web-based (HTML5) mobile apps. Kids will be making apps, just like the ones in the App Store!

Ages 8-14\* | \$279  
July 10-14

#### Minecraft® Animators

Young engineers bring their favorite Minecraft® characters to life in an animated short film! Students learn how studios like Pixar and Disney used techniques to make movies like Inside Out®.

Ages 8-14\* | \$279  
July 17-21

### ENGINEERING

#### LEGO® Robotics

Students explore the design process and solve puzzles including maneuvering a robot through a maze using teamwork and a LEGO MINDSTORM EV3.

Grades 5-9 | \$289  
Aug 7-11 | 8:30-12p  
Early Registration \$269

#### Minecraft® Designers

Students learn the basics of creating 3D models using a new software to design their very own objects, create skins for characters, and import them into their favorite Minecraft® games.

Ages 8-14\* | \$279  
June 26-30

### ART

#### Young Rembrandts

Research and experts say that there is a direct correlation between involvement in the arts and success in the classroom. Help young artists' creativity flourish while developing focus and self-discipline.

Ages 6-12 | \$155  
June 19-23 | 9:30-12p

#### Summer Reading Programs

Supporting child literacy is one of the most important ways you can assist youth learning. Children in this program double their reading speed, improve comprehension, and learn to enjoy reading.

Ages 4-adult | Pricing varies

### MINDFULNESS

#### Youth Mindfulness

Students in this camp learn better stress management skills, improve their awareness, and discover how to focus on their surroundings.

Grades 1-5 | \$249  
Aug 14-18 | 9-12p
