DISABILITY AWARENESS AT DCC CLASS

SUNDAY, MARCH 22 | 9-10:15 AM

SPRECHER ROAD CAMPUS

The AdaptAbility Team is working to help DCC become a church where everyone belongs, participates and flourishes. If you live with a disability, love someone who does or want to help our church grow in love and accessibility, join us as we learn ways to remove barriers and become a church where everyone is vital and valued.

Ways to Serve:

Disability Awareness Month gives us an opportunity to reflect God's heart for inclusion. As part of our AdaptAbility commitment to a church where everyone belongs and flourishes, we invite you to serve as a Special Needs Buddy in our Kid's Ministry and to consider supporting these other community events where volunteers make a meaningful difference (scan the QR code to learn more):

DCC BUDDIES

VOLUNTEERS NEEDED!

Our DCC Kids Special Needs Buddies provides 1:1 support for special needs children who need a little extra help during our Sunday morning children's programming. A buddy offers safe, consistent connection, supporting a child in the classroom with gentle redirection, assistance with fine motor or academic tasks and sensory regulation as needed. Our goal is to help every child feel safe and included while learning about Jesus and His love for them. For more info, contact Kristina Auby, kauby@doorcreekchurch.org.

THE PENGUIN PROJECT OF SPCT

Giving artists with special needs in the greater Madison area the experience of performing and the opportunity to soar on stage. Purchasing tickets to a performance is the best way to contribute to this organization. Coming up in June, you'll be able to see one of DCC's own attenders, Mari Koopmans, perform live on stage. Tickets available in May.

THE MIRACLE LEAGUE OF DANE COUNTY

This organization is dedicated to removing the barriers to create a welcoming, accessible environment where every child can enjoy the game of baseball and build lasting memories. Lots of volunteer positions available!

NIGHT TO REMEMBER

A delightfully magical annual event designed to celebrate kids, teens and adults with special needs. Over 500 volunteers are needed—you'll see a number of our DCC Youth volunteering at this event!
