**Cordially invites you to a community information meeting for:**  
**STANDARD & McFADDEN PARK SITE**  
**1117 So. STANDARD AVENUE, SANTA ANA, CA.**

The Standard & McFadden site will be a new ½ acre park site to serve the immediate community. Due to COVID 19 pandemic we will be providing information on this future park site through a virtual presentation. Public meetings have already been held to obtain ideas on the park concept plan. The project will require a Zone Change from Multi-Family Residential to Open Space. At the meeting we will provide general information, funding source, answer questions and solicit input on the park proposal.
