

Separating Household Trash from Storm Debris

Per FEMA directions, please separate storm debris into the categories below and place at the curb away from your regular household trash. Waste Management will pick up your trash.

Other contractors will remove storm debris.

Storm debris should be placed at the curb without blocking the roadway or storm drains.

Be sure not to place debris near trees, poles, fire hydrants or other structures.

Storm Vegetation
Leaves, (do not put in bags), logs, plants, bushes, brush, and tree branches

Furniture
Chairs, tables, desks, dressers, sofas, and mattresses

Construction and Demolition Debris
Building materials, carpet, drywall, lumber, and plumbing

Appliances and White Goods
Refrigerators, freezers, air conditioners, heat pumps, stoves, washers, dryers, and water heaters
NOTE: Collection responsibility varies by community.

Electronics
Computers, radios, stereos, televisions, and other devices with a cord
