Let  
**YOUR VOICE**  
be Heard!

Now is your chance to meet with members of the Maryland Congressional delegation!

Montgomery County Medical Society coordinates the Capitol Hill visits for MedChi in conjunction with the AMA's National Advocacy Conference in D.C.. Hill visits will be on Tuesday, February 12, 2019. We want two teams of physicians each accompanied by one staff person. On Tuesday, there will be a briefing breakfast prior to going to the Hill. Hill visits will likely begin at approximately 9:30 a.m. and conclude by late afternoon.

Appointments will be made with members of Maryland's Congressional delegation and/or their health care legislative aides. The discussion agenda is primarily set by the AMA, and usually 1-2 items of interest to MedChi and physicians in Maryland may be added.

If you are interested in joining us on this day or have questions, please contact Susan D'Antoni at [sdantoni@montgomerymedicine.org](mailto:sdantoni@montgomerymedicine.org), fax back this form to 301.921.4368 or call 301.921.4300.
