Not an MCMS Member?

If you or your physicians
would like to join MCMS to
take advantage of
educational offerings,
contact 301.921.4300 or
info@montgomerymedicine.org.

Why Attend?

Beginning July 1, 2018, new querying requirements go into effect for Maryland's Prescription Drug Monitoring Program. Is your practice ready to comply? Participants will learn how to:

- Describe the Maryland Prescription Drug Monitoring Program (PDMP)
- Determine when PDMP query is required
- Summarize what the PDMP query portal looks like
- Confirm what states' data can be accessed through the query portal
- Establish how to use the PDMP as a clinical tool
- Identify how to use the PDMP to find safe opioid prescribing resources.

Accreditation Statement:

MedChi, the Maryland State Medical Society is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation Statement:

MedChi designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Presenter:

Colleen George is the Director for the Center for the Private Practice of Medicine for MedChi, The Maryland State Medical Society. MedChi is the largest advocacy group for physicians in the state. The Center provides resources physicians need to thrive as clinicians and small businesses. Mrs. George works with medical practices regarding all aspects of practice management including updates on CRISP services, MACRA and MIPS.
