

Finally, a networking dinner that's right up your alley.

2019 Physician Collegiality Dinners

Everyday, physicians give the gift of healing and support to patients throughout Montgomery County. MCMS's Physician Collegiality Dinners are an opportunity for members to connect and celebrate the art and practice of medicine among the only people who can truly relate to their daily experience--fellow physicians.

There will be several physician collegiality dinners throughout 2019. Physician members are invited to attend one as a part of your membership. If you'd like to attend additional dinners, the cost is \$85 each.

Other Upcoming Dinners:

- Wednesday, February 20 at Season 52 in North Bethesda for women physicians
- Thursday, March 14 at Stanford Grill in Rockville for all members

Early Career Physician Collegiality Dinner

Pinstripes

11920 Grand Park Ave, North Bethesda, MD 20852

Early career physicians are invited to Pinstripes at Pike and Rose for collegiality, networking, dinner and optional bowling. Enjoy an evening of fun with fellow physicians in the Montgomery County area.

Come experience the ambiance of one of the area's newest hot spots for socializing and dining, as we discuss the many unique issues that impact early career physicians, including work-life balance, finance, and more!

Early Career Physicians Co-Chairs:

Annette Pham, M.D. & Jordan Heffez, M.D.

RSVP

Active physician members may select ONE of the six collegiality dinners to attend at no cost. Emeritus members and members who would like to attend a second dinner, \$85 each.
