Profit Mastery

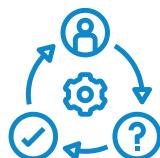

What does it do?

Profit Mastery is a 2-day in-person workshop to help you dig into your business finances. Gain the knowledge and skills you need to help your business achieve financial success. Learn alongside fellow business owners from a skilled local facilitator.

Who is it for?

Profit Mastery is for business owners who want to become more confident and skilled in managing their financials and making financially sound decisions for their company. If you are ready to grow your financial management skills, this is for you.

Why is it different?

Profit Mastery® is a financial performance system and has an international reputation for providing unparalleled financial management and business planning education. The curriculum is owned by Business Resource Services and facilitated by EFund.

How can I register?

Register online to secure your seat for the Profit Mastery workshop. Please note that participants are required to participate in-person. Seats are limited! Please register by 12/8. [Click here to register today.](#)

Why Entrepreneur Fund?

As the region's leading nonprofit lender, we believe small businesses have the power to transform their communities. Our entrepreneurs create jobs, provide essential services and add vibrancy to our region. For over 30 years, our team has been dedicated to providing accessible capital and strategic advising to our region's small business owners because when we invest in them, we also invest in the economic growth of northern Minnesota and Wisconsin.
