Public Notice: Request for Proposals from Qualified Native Artists for Artwork at New Health Care Facility

The Lac Courte Oreilles Community Health Center is seeking proposals from qualified Native artists to create artwork for our new health care facility. This project aims to celebrate and incorporate Native culture, heritage, and art into our facility's lobby and hallway spaces. The selected artist(s) will have the opportunity to create original artwork that enhances the welcoming atmosphere of our health care environment.

Scope of Work:

The scope of work for this project includes the creation and installation of artwork in the lobby and hallways of the new health care facility. The selected artwork should reflect Native cultural traditions, be visually impactful, and create a calming, inclusive environment. The artwork may include but is not limited to murals, paintings, sculptures, or other art forms that are appropriate for the intended spaces.

Proposal Requirements:

Proposals must include the following information:

- **Artist's qualifications:** A resume or biography highlighting relevant experience and background, particularly in Native art.
- **Scope of work:** A detailed description of the proposed artwork, including artistic vision, medium(s), dimensions, and installation requirements.
- **Project timeline:** A proposed timeline for completing the artwork, from conceptualization to installation.
- **Budget and contract amount:** A detailed breakdown of the estimated cost of the project, including materials, artist fees, and installation costs.
- **Portfolio:** Examples of previous work that demonstrate the artist's skills and artistic style. High-quality digital images of completed projects or relevant work must be included.

All proposals must be submitted by February 14, 2025. Proposals can be submitted in person, electronically, or mailed to the address above. Late proposals will not be considered.
