

Boozhoo,

The Red Cliff Business Development Corporation and Buffalo Bay Store continue to monitor the COVID-19 situation. We remain committed to the well being of our customers, community and employees. We will remain open as long as we can but will be moving to limited hours.

Beginning March 20, 2020 store hours will be 8:00 a.m. to 4:00 p.m.

For the safety of all - we ask that customers attempt to limit their contact with store employees, particularly if you believe yourself at risk. On our part we will work on procedures that can limit contact. All suggestions welcome. We appreciate your cooperation.

Buffalo Bay Store
