

ELDER SNOW PLOWING

**Open to Tribal Elders living within
Gaa-Miskwaabikaang boundaries**

Elders 62 and Older NO COST

All driveways must be clear so there is enough room to push snow, crew cannot back blade any driveways.

Culverts, water curb stops, sewer clean outs, and anything else you may not want plowed over must be staked at a visible height to the driver (at least five feet high).

If possible, vehicles should be moved out of the way as plowing begins at your home to ensure driveway can be cleared all at once.

Red Cliff Tribal Plowing will open the driveway to allow one car to pass safely; we will not be opening yards and/or extensive turnarounds.

IF YOU WERE NOT ON THE LIST LAST YEAR, PLEASE FILL OUT AN APPLICATION AVAILABLE AT THE TRIBAL ADMINISTRATION OFFICE OR AT THE ELDERLY FEEDING CENTER. Applications are also available online at www.redcliff-nsn.gov > How Do I > Apply For I Obtain
