

- Red Cliff is coordinating the opening of a ***new homeless warming shelter*** and is seeking volunteers to assist with overnight shifts seven days a week beginning in November and continued through the Spring. More details and a specific start date will be provided soon.
- Volunteers will assist with setup, provide supervision and a light meal from **10pm-7am at the Boys and Girls Club** for any homeless individuals or families seeking a warm and safe shelter overnight. Every participant is required to sign a receipt of understanding the rules and expectations daily.
- Volunteers **will receive training** through the Red Cliff Health Department in CPR, First Aid, and basic skills needed to care for different situations.
- Compensation will be a **\$150 nightly stipend** paid bi-weekly. ☐ Background check required. ☐ Tribal employees are eligible to participate. ☐ Must be aged 18+.
- This is an opportunity to assist those in the most need during the most dangerous weather of the year. Help us help those who are homeless—it takes us all.
- Please contact christopher.hicks@redcliff-nsn.gov or call (715) 779-3700 to get more information or to sign up.
