## Long-Term Care - Home Modification Project

**The Red Cliff Band of Lake Superior Chippewa is accepting applications.**

**Purpose:** Elder Home Modification Project is to improve and enhance tribal home and community-based services. Red Cliff anticipates making improvements to tribal households to ensure safe residency for eligible participants and vulnerable elders at risk.

### Eligibility:

- Tribal members aged 55 and older living on the Red Cliff reservation.
- Must be a homeowner and able to provide documentation.
- Enrolled in the Family Care program **or** be at risk of entering the Home or Community Based (HCBS) long-term care system.
- At risk is having a diagnosis and at least one eligible functional need putting them at risk of having to leave their home and enter the long-term care system. An individual in the “at risk” category will be required to submit an attestation by their medical provider.
- The Red Cliff Community Health Center will make the final eligibility determination recommendations to the project team.

**How to Apply:** Applications are available in the lobby of the Red Cliff Community Health Center and at the Red Cliff Elderly Center.

**Deadline for submission is November 30, 2023**
