

# Manoomin Processing Equipment

## EQUIPMENT AVAILABLE:

- Threshers (*electricity required*)
- Metal pots for parching
- Unvarnished wood paddles for parching
- Turkey Cookers (*propane not provided*)
- Tarps

Equipment for Red Cliff members to process manoomin can be picked up at the Environmental Department or staff can deliver it to a designated location.

**For more information and to reserve equipment contact the Environmental Department: 715-779-3650**

## RED CLIFF FOOD SOVEREIGNTY EQUIPMENT LOAN PROGRAM:

The Red Cliff Food Sovereignty Equipment Loan Program is a collaboration between multiple Tribal programs including the Tribal Historic Preservation Office, Education Dept, and Treaty Natural Resources Division. Currently, equipment in the program includes sugarbush equipment, manoomin processing equipment, and an apple press for pressing cider. We will be adding more equipment to help grow, harvest, and process food as funding allows. With questions, please contact: Mino Bimaadiziwin Tribal Farm, 715-779-3700 x 4319 or [Farm@redcliff-nsn.gov](mailto:Farm@redcliff-nsn.gov)
