

Love kids?

Want to start your own business?

Opening a child care program might be the adventure you're after! Families in your community need care, and we're here help you - or someone you know - take a vision from idea to reality. Do you live in Ashland, Bayfield, Iron, Price, or Sawyer counties? This opportunity could be right for you!

TOP 5 REASONS TO START A LICENSED CHILD CARE BUSINESS:

- Develop long-lasting relationships
- Be your own boss
- Never look for care again if you have your own children - watch them grow and earn money
- Support the local economy
- Make a difference for families and your community - every day!

WE'RE HERE EVERY STEP OF THE WAY:

- \$7,780 for completing the program - money for materials and other business needs
- Child care business training course so you know what's needed to be successful
- Start-up toolkit valued at \$400 with items to help you provide a safe environment
- One-on-one time with a business coach to help with questions and get you information right when you need it
- We'll connect you to WECA's pre-licensing team, too!

Have questions or wondering if this might be the right fit for you or someone you know? Kelly is excited to talk with you! Email kmatthews@wisconsinearlychildhood.org or call 608-230-8046 to connect.

This program and its services are provided in English.

The ECE Business Builder Program is available in a five-county region in northern Wisconsin (Ashland, Bayfield, Iron, Price, and Sawyer counties) and is administered by Wisconsin Early Childhood Association. It is offered in partnership with Wisconsin Economic Development Corporation (WEDC) and Northwest Wisconsin Workforce Investment Board (NWWIB).
