Why Profit Mastery?

Starting and running a business is always a challenge. Profit mastery has been successfully providing business owners, key managers, and those who advise them with the information and tools that can move attendees from **Profit Mystery to Profit Mastery**. Using case studies and a down-to-earth style — with just a bit of humor and a touch of motivation — this streaming, web-based program includes all the material from their internationally-acclaimed two-day program. The workshop will be facilitated by Kara Gunderson, FACC, Technical Assistance / Business Education Associate, who has been trained by Profit Mastery to shepherd you through this remarkably powerful program.
