Jessica Lund & HPS PTO board

**Dear Jessica Lund & HPS PTO board:**

My name is Jason DeBruer and I would like your consideration and support in joining the PTO board in the role of HPS PTO Vice President. I have been a HPS parent for 4 years and have done some volunteering, but feel inspired to do more for the school and community.

My inspiration comes from my family, wife Jen and daughters, Josie (6<sup>th</sup> Grade – Ms. Bidlingmeyer) and Jane (1<sup>st</sup> Grade – Ms. Sims). Josie is currently running for student council co-president and her determination for this position has pushed me to participate more!

I am currently a Regional Sales Director for Ward Manufacturing and manage multiple salespersons in my region. I have spent close to 20 years in the Wholesale plumbing and pipe valves/fittings industry. I always enjoy working with a team, focusing on a common goal, and look forward to applying many of the lessons I have learned with this team.

Personally, I enjoy helping out and attending my daughters soccer matches, basketball games and other activities. I also enjoy working outside on weekend, following local sports teams, traveling, occasional home brewing and the craft beer industry.

I look forward to working with you all and making the HPS PTO board, and Hyde Park School, as successful as possible.

**Sincerely,**

**Jason A DeBruer**
