In the semifinals, the ladies played Fideles Christian School. Fideles brought some intense competition, but the ladies prevailed winning in two sets 25-21 and 26-24. The girls then played the Augusta Eagles in the championship game and brought home the victory, the score was 25-13 and 25-20.

The MS volleyball teams opened up their season on the road at Praise Academy. Since Praise is not a GICAA region opponent, the lineup was altered. Our B girls played the one and only MS team while the A team took on their high school JV squad. Both teams gave great effort considering they were up against ladies of an older age and experience. The B girls dropped the first game 17-25, but came back to win the second and third, 25-19 and 15-13 to edge out the match 2 - 1. The A girls were unable to grab a win and dropped the match 0 - 2 with scores of 16-25 and 9-25.
