

# WE ARE ONE

## RALLY

Join us as we stand together for

# CLIMATE JUSTICE

**Thursday, September 26, 2019**

**5:00 p.m. to 6:00 p.m.**

**Paseo Padre & Walnut, Fremont**

*We request that signs be peaceful, compassionate, & non-partisan.*

When the Arctic & the Amazon are literally on fire, it doesn't take a climate scientist to understand we can't continue down the same path. We can't keep powering the world with fossil fuels. We can't keep doing nothing. **But we can change course.**

September 20 - 27 millions will walk out of workplaces & homes to join young people on the streets & demand an end to the age of fossil fuels. We stand in support of the Global Climate Strikers who are calling us to take action to make this a turning point in history.

Our house is on fire — let's act like it. We demand climate justice for everyone.
