Dear Ms. McDonald:

Thanks to your generous contribution, our Tri-City Volunteers Toy Drive was a huge success. TCV was able to collect and distribute more than 1,000 new toys to 625 local children at our toy party. Our clients and their families were able to meet and take a picture with Santa, create holiday keepsakes in Santa's Grotto, hang out with local first-responders and enjoy tasty holiday fare. For the first time, TCV clients were able to shop and select a special present for their child. All of these activities and joyful holiday memories were made possible by corporate sponsors like yourself and our dedicated volunteers.

Again, thank you for being a partner in this special holiday experience.

Best regards,  
Tri-City Volunteers Staff
