

Belin Memorial United Methodist Church

Hurricane Emergency Plan

In the event of an emergency, preparation, response and recovery are vital tasks of the church staff. Not only is the staff responsible for the buildings and property, but to the church members and surrounding community.

Basic Emergency Preparation and Supplies (given enough notice to act)

Have 3-5 days of drinking water, one gallon per day, per person

3-5 days non-perishable food supply per person

Batteries for flashlights, etc

First aid kit

Current prescriptions

Toolbox

Cash

Phone/computer

Baby supplies

Pet supplies

Keep a bag packed for possible quick evacuation

Know where important papers are and take them when you leave

Secure or bring in outdoor furniture and trash cans

Fill your car with gas

Fill propane tanks

Take photos and/or videos of the interior and exterior of your property

Make prior arrangements with a family member, friend or neighbor to help you prepare in the event of an emergency-transportation, groceries, gas, etc.

****If there is no one available to assist you in preparing, please call the church office for assistance.** 843-651-5099**

After The Danger Has Passed

Listen to the news for road conditions

Be cautious near floodwaters

Avoid all downed power lines (buried power lines may be affected)

Take photos and/or videos of the interior and exterior of your property

Be careful with candles and do not use a generator without proper ventilation

Check in on family and friends
