

Message from your Stephen Ministry Team:

From *Cries of Faith, Songs of Hope: Prayers for the Times of Our Life* by Rev. John Gugel

O God, it's easy to despair when I look at this world. But when I look to you, I see your light and feel your love. Your goodness is on grand display throughout the Bible and in the lives and testimonies of your people. This restores my hope. In the face of evil, give me confidence that Jesus Christ's death and resurrection gives us victory over sin and death.
