White Carnation Launch

*to remember our children, grandchildren and siblings
who died too soon, but still walk
in the hearts of family and friends*

**The Cross at the Sea Wall
Belin United Methodist Church
4182 US Bus 17
Murrells Inlet, SC**

We would like to take this opportunity to unite the bereaved families of our local area and to support the mission of Bereaved Parents of SC, Georgetown and Horry County Chapter

Please RSVP by May 3, 2022, so enough white carnations can be ordered. The carnations will be placed in the inlet in memory of our children, grandchildren or siblings.

Why white carnations?

The carnation means fascination, distinction, and love. According to a Christian legend, carnations grew from Mary's tears as she watched Jesus carry the cross and die. This is how they became associated with motherly love.
