Greetings to all in the name of our risen Savior, Jesus Christ.  
Peace be with you.

“I have said these things to you while I am still with you. But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you everything, and remind you of all that I have said to you. Peace I leave with you; my peace I give to you. I do not give to you as the world gives. Do not let your hearts be troubled, and do not let them be afraid.” John 14: 25-27

During the month of May, we are ending the Easter season, and on the 5th of May, we will celebrate the Ascension of Christ into heaven, leaving his disciples the assurance that they are to be witnesses throughout the world, empowered by the Holy Spirit to proclaim the “Good News.” Occasionally someone will say that Ascension is a festival with no relevance to our world today. Jesus’ ascension reminds us that Jesus is no longer on earth physically, but each time we gather on Sunday we say that Christ is present in Word and Sacrament.

Ascension helps us to remember that worship is connected to Mission, for we are all the body of Christ. Here, at Living Waters, we too gather each and every Sunday in worship, we too are witnesses in proclaiming the good news of Jesus Christ. In living our lives in the community surrounding Living Waters, we are witnesses without borders or constraints.

Our members are active in community life, giving of themselves to enrich the lives of people in need.

Small though we may be in numbers, we are big in the Spirit of Jesus Christ.

In closing, I leave you with this thought; our ministry of Word and Sacrament here at Living Waters could not sustain the ministry without our mission partners and individuals who support us in many and various ways. We would like to lift us our relationship with a few of our partners: Living Savior LC in Charlotte, NC; Holy Trinity LC in Raleigh, NC; Holy Communion LC in Banner Elk, NC; St. Thomas LC in Bloomington, IND; Our Savior’s LC in Burbank, Ill; Holy Communion LC in Hickory, NC; Grace Lutheran Church in Hendersonville, NC; St. Mark’s in Mooresville, NC, St. Mark’s in Asheville, NC; Plus our other “unofficial partners” and individual partners in ministry, and all of our ecumenical partners in ministry.

It is through your generous gifts that those in need can be helped.

We here at Living Waters say: Wado, and Sgi (both Cherokee words of thanks.)

His peace I leave with you,  
Blessings, Pastor Jack

### You Are Invited!

We invite you to come and visit us anytime you are in our area or to plan a mission trip to the Cherokee Indian Reservation and join us for Worship.

At Living Waters we honor our culture and Native Traditions as well as our Lutheran Theology. We begin our Worship Service by smudging to cleanse our hearts and minds and prepare us for worship.

We open our worship service using the hand drum and singing the Cherokee Morning song.

Living Waters is blessed to have Partners in Ministry who support us through financial giving, Spiritual support and visits. If you would like to become a Partner in Ministry with Living Waters we invite you to contact Pastor Jack at [prjack@frontier.com](mailto:prjack@frontier.com)

Your circumstances don't care what you think or feel,

Members from Grace LC in Hendersonville joined us at Living Waters on April 27<sup>th</sup> to work on some projects around the church and repackaging items for the pantry. Thank you to the members of Grace for all their hard work. It was good to meet new friends.

Please continue to save the pop tops off your cans. This year we will be donating the pop tabs to a 2<sup>nd</sup> grader named Clayton Beaver who attends Swain Elementary School. Clayton's family uses the pop tabs to help with the cost of back braces that Clayton requires. Thank you to Josephine for delivering the pop tabs for Clayton that we have collected so far.

Thank You to everyone who donated formal dresses for the Prom's and other special events.

Thank You to JoJo and Dorine for delivering the dresses to Swain and Cherokee Central Schools.

Those who solve problems spend very little time complaining about them. Problems are turned into opportunities not by complainng or blaming or endless analysis, but by thoughtful and determined action. When you're busy solving a problem you're working to transform it from a negetive to a postive. When you merely complain, then you're investing yourself in perpetuating the negativity of that problem.

Thank you to those who have helped distribute food boxes to those who are shut in or in need of emergency food boxes. Your willingness to help is greatly appreciated.

Living Waters Pantry is in need of sizes 4, 5 & 6 diapers. If your child has outgrown any of these sizes please consider donating them to Living Waters.

We are also in need of infant formula. If you would like to contribute financially please designate your check to Living Waters Food Pantry

Thank you to those who helped with the repairs to the upper driveway and parking lot. Please note the road has been scraped and new gravel has been added.

Those who achieve, do not know that they can't. Make your dreams so compelling that you forget about what you thought you could not do. And sure enough, you'll soon find yourself doing it. Stand up straight, take a deep breath, put a smile on your face and get busy making good things happen.

Today is a fresh start. Make something good with it.

Thank you to everyone who brought Easter Lilies to decorate the altar for Easter. If you brought a lily you may take it home or donate it to the church for the front flower bed.

## REMINDER

Wednesday night Services  
have been canceled.

### Sunday School/ Youth Group Project

During the months of April and May the Sunday School class and youth group will be collecting items to make Hospital Sunshine Bags. Many people who enter the hospital do not have people to bring them items to make their stay a bit more bearable.

*Items we will be collecting include:*

Cross word puzzle books, adult coloring books, activity books, journals, colored pencils, markers. Please do not bring food products, candy or gum.

When you enter this church it may be possible that you hear "the call of God". However, it is unlikely that He will call you on your mobile phone. Thank you for turning off your phones. If you want to talk to God, enter, choose a quiet place and talk to Him.

Thank you to JoJo for helping fill the children's Easter Baskets.

Thank you to all who donated items to fill the children's Easter Baskets. The children were thrilled.

Thank you to those who helped deliver Easter Baskets to Shut In's in our community. We delivered 12 Easter Baskets filled with goodies.

### Easter breakfast

Thank you to all who brought food for the Annual Easter Breakfast at Living Waters. As always the food was delicious and everyone enjoyed the fellowship.

Thank you to all who donated items to help with the Adopt a Family for Easter project. The family was very grateful and overwhelmed by your thoughtfulness.

Thank you to those who helped prepare the Family Easter Bags.

Easter Bags filled with goodies were given to each family Easter morning from the Sunday School class.

Lisa will be taking the month of May off to prepare for Summer groups. Youth Group will resume on Wednesday nights in June. Please watch for dates and happenings in your newsletter.

Thank you to Nick, Tristen, Dustin, Danny and Jr for hiding the Easter Eggs for the children's Easter Egg Hunt. We appreciate your willingness to help.

The children all had a Great Time. Congratulations to KK for finding the "Special" egg.

Beginning in June the Living Waters Youth will be having "life skills" meetings on Wed nights. The children will be learning basic cooking skills, easy sewing skills, etc. If your child plans to attend please let Lisa know so enough supplies are purchased for each child.

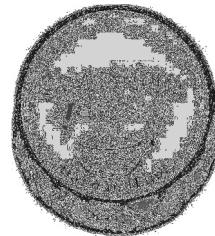

Seek to live with sincerity and substance.

Discover new ways to act on your values rather than merely proclaiming them.

It's in your best interest to be considerate of the best interests of others.  
It's in your best interest to live in a world where there's more understanding  
and less divisiveness.

You can't force others to be kinder, more tolerant, more cooperative.  
Yet you can set a powerful positive example with your own behavior.

Don't wait to receive kindness before offering kindness to others.

You can be more proactive than that.

You can be the first person in the situation to act with genuine kindness.  
You can be the first person to listen, to seek to understand, to offer your assistance.

Your kindness will not always be returned.

It will, however, always make a difference and set a positive example.  
The highly beneficial conditions of friendship, understanding, unity,  
and peace have to start somewhere.

Do your best to let them start with you.
