

# Funding Opportunities .....

## **FY 2021 TTP Safety Fund**

A Notice of Funding Opportunity for FY2021 TTPSF is expected soon. FHWA will establish a new funding category for "Systemic Roadway Departure Countermeasures" in FY2021. The opportunity will be published on Grants.gov and links will be provided on this web page. Check back for details or subscribe to their [mailing list](#).

## 2022 BIA Indian Highway Safety Program

The Bureau of Indian Affairs is now accepting applications for Indian Highway Safety Program (IHSP) FY-22 grants until **May 1, 2021**. This year a new opportunity exists for Tribes to apply for a grant to fund a "Highway Safety Specialist" staff position. The IHSP also continues the funding for "Occupant Protection" and "Law Enforcement" grants.

For additional details, please visit <https://www.grants.gov/web/grants/search-grants.html?keywords=ihsp>.

You may also contact the program directly for more information by calling 505-563-3764.
