

All,

We are excited to welcome you to our Geospatial Workshop.

This message will provide you with directions for some small homework to do before the workshop:

**To do before the workshop:**

- At some point before the workshop starts, please sign up for a Google Earth Engine account:  
<https://signup.earthengine.google.com/#!/>
- To help us prepare for the workshop, **please fill out a super brief survey:**  
<https://forms.gle/ZiC8ZBBij1LY3SUf7>
